CROSS REFERENCE:	705.01

1. A comprehensive system of common course names, numbers, and descriptions to be known as *The Alabama Community College System Course Directory* shall be developed and mandated for use by all institutions.
2. The *Course Directory* shall be adopted by the System institutions and shall be divided into these four sections with each containing a series of course descriptions which constitute discrete program offerings: Section I-AGSC, Articulation Transfer Discipline; Section I-ACS, Academic Support Disciplines; Section II, Occupational/Technical Discipline; Section III, Health-Related Professions Disciplines; and Section IV, College Preparatory/Developmental Studies.
3. The process for requesting a new course addition to the *Course Directory* and the process for expressly requesting a new course addition to Section I-AGSC, Articulation Transfer Disciplines, are addressed in the *Course Directory*.
4. Guidelines for implementing this policy shall be established by the Chancellor.
