## Policy and Procedures

#### STATEMENT OF CATALOG RESPONSIBILITY:

Generally, the student is bound to the program requirements in effect at the time of the student's

initial registration at the College. However, if the student is not enrolled for a semester or more (excluding summer semester), the catalog which is current when the student returns to the College will become the catalog in effect. When a student changes his or her program, the catalog at the time of the change becomes the catalog in effect. As courses and program requirements are revised to the extent that it becomes impossible for the student to meet the requirements of the original catalog in effect, it may become necessary for the student to conform to the requirements published in the most recent edition of the catalog.

The Catalog is the official announcement of the program requirements and regulations of Lawson State Community College. Students enrolling in the college are subject to the provisions stated herein. Statements regarding programs, courses, fees, and conditions are subject to change without advance notice.

#### STUDENT RIGHTS AND RESPONSIBILITIES:

A student attending Lawson State Community College on financial aid has certain rights and responsibilities pertaining to his/her award.

The student has the right to ask the college:

- What financial assistance is available, including information on all federal, state, and institutional financial aid programs.
- What the deadlines are for submitting applications for each of the financial aid programs available.
- What the cost of attending the college is, and what the refund policy is.
- What criteria it uses to select financial aid recipients.
- How financial need is determined. This process includes how costs for tuition and fees, room and board, travel, books and supplies, personal and miscellaneous expenses, etc., are considered in the budget.
- What resources (such as family contribution, other financial aid, assets, etc.) are considered in the calculation of need.
- How much of the financial need, as the institution, has been met.
- To explain the various programs in the student aid package. If a student believes he/she has been treated unfairly, he/she may request reconsideration of the award which was made.
- What portion of the financial aid received must be repaid, and what portion is grant aid.
- How the school determines whether a student is making satisfactory academic progress, and what happens if he/she is not.

The student has the responsibility to:

- Review and consider all information about a school's program before enrolling.
- Pay special attention to the application for student financial aid. Complete it accurately and submit it on time to the appropriate place. Errors can result in delays in a student's receipt of financial aid. Intentional reporting of false information on application forms for federal financial aid is a violation of law and is considered a criminal offense, subject to penalties under the Criminal Code of the United States. The Inspector General's office will be notified in such cases.

- Notify the Registrars Office, in writing, whenever there is a change of name, address, or telephone number.
- Submit documents verifying the information submitted on the Free Application for Federal Student Aid if requested.

#### CLASS ATTENDANCE:

Attendance is expected at all classes. Instructors' expectations are high and classes are challenging; therefore, students who are absent may experience difficulty in meeting expected outcomes of the course.

Students are expected to attend class on time and are expected to remain in class for the duration of the published class time. Student absences are calculated from the first day of classes. For the purpose of financial aid, attendance the first day of class is a must. When a student registers late, the classes that the student missed from the first scheduled class date are counted as absences.

If a student has an absence deemed excusable by the instructor, the instructor may give the student an opportunity to make up the work missed. The manner in which make-up work is administered is left to the professional discretion of the instructor. The instructor's policies regarding make-up work shall be clearly defined in the syllabus to be distributed on the first day of class. Any missed material may not be re-taught by the instructor.

The student is responsible for providing documentation of the reason for absence, if such is required by the instructor. The absence will be considered excused only if extenuating circumstances are documented. A student must be able to verify such extenuating circumstances as sickness, death in the immediate family, military, or certain legal obligations. Work-related excuses, child-care, and travel are not generally considered as excused absences.

Some programs require attendance for program accreditation or certification. Students should consult departmental policies or guidelines for details.

A student participating in approved College activities should make every effort to arrange class responsibilities around the schedule of approved activities so that no hardship is placed on other class members or the instructor. Instructors are not required to "re-teach" classes for students who miss class for any reason. Since many events are scheduled ahead of time, the Dean of Students and the coach or sponsor of the activity may notify instructors at the beginning of the semester of all absences.

Attendance at final examinations is mandatory. Such examinations are administered in all academic subjects at the end of each semester in accordance with an examination scheduled issued by the Dean or designee. Any student who must miss a final examination has the

responsibility of notifying his or her instructor to make arrangements to take the final examination on an alternate date, if possible.

Withdrawal from class or removal from the registration database can affect eligibility for federal financial aid. For more information, a student may contact the Office of Student Financial Services.

#### STANDARDS OF HONESTY:

Lawson State Community College is conducted on the principle of honesty. Lawson State regards dishonesty, cheating, plagiarism, or knowingly furnishing false information to Lawson State, as serious offenses. It is expected that cases of dishonesty will first be considered at the department-faculty level, the matter will follow procedures in accordance with the Code of Student Conduct.

#### CHANGE OF PROGRAM:

Students may change their program by completing a "Program Change Form", which is available in the Office of Admissions and Records. The division dean/director for the new program will be asked to evaluate the students transcript. Following the evaluation, the students permanent record will indicate a change of program. Only Lawson State Community College grades, accepted through the Vice President or Divisional Administrators evaluation, will be considered in computing the Lawson State Community College grade point average. Credits successfully earned, prior to the change, will be applied toward the new program.

Students planning to transfer to another college or university are cautioned that the receiving institution may use all grades earned in computing grade point averages for admission or other purposes. For more information, log on to AGSC/STARS Home Page at: <http://stars.troyst.edu>

#### AUDITING A COURSE

- The schedule has conflicting classes.
- The student does not have the required course prerequisites.
- The student is enrolled in a course not acceptable in his or her program of study.

- The student already has credit in the course and does not wish to repeat it.
- Administrative actions justify such changes. Appropriate signatures must be secured and the Drop/Add Form must be returned to the Office of Student Records before it is official.

The Vice President must approve exceptions to this policy).

Withdrawal procedures must be initiated in the Office of Student Records. The withdrawal form must be submitted to the Office of Student Records with appropriate signatures before it is official.

Students who stop attending classes for any reason should not expect the instructor to withdraw them. It is the students responsibility to withdraw officially by completing the withdrawal form in the Office of Admissions and Records by the deadline date published in the semester schedule.

**CREDIT FOR NON-TRADITIONAL ACADEMIC WORK:**

Credit By Examination: Students who wish to enter the Nursing Education Mobility Program and seek college credit for nursing courses by examination, may write the ACT PEP Examination in Fundamentals of Nursing and Maternity Nursing. The student may take the examination only once. Credits by examination will be applied toward graduation requirements. The students record will indicate credits by examination. Quality points are computed for the grades.

**ADVANCED PLACEMENT:**

A student may be granted advanced placement by presenting scores on the College Board Advanced Placement Examination. Students with a minimum score of 3 will be given college credits (but no academic grade) for beginning courses.

**COURSE LOAD** Students are classified according to the following minimum schedule:

#### STUDENT COURSE OVERLOAD:

The student course load for a full-time student will be 12 to 19 credit hours per semester. Credit hours above 19 credit hours will constitute a student overload. - A transfer student who is admitted on clear academic status is subject to the same standards of academic progress as a Lawson State student. Grades accrued at other regionally accredited post-secondary institutions are not included in GPA calculations.
- A transfer student who is admitted on academic probation retains that status until the student has attempted at least 12 credit hours at the institution. If, at the conclusion of the semester, in which the student has attempted a total of 12 or more credit hours at the institution, the cumulative GPA (at the institution) is below 1.5, the student is suspended for one semester. The transcript will read: suspended one semester.
- If at the conclusion of the semester, in which the transfer student is admitted on academic probation has attempted a total of 12 or more credit hours at the institution, the cumulative GPA at the institution is 1.5 or above, the students status is clear.

#### TRANSFERRING TO ANOTHER COLLEGE FROM LAWSON STATE:

Counselors and other members of the Colleges staff will advise and assist any student planning to transfer to a four-year institution. However, it is the students responsibility to follow the admissions requirements closely. These requirements are indicated in the particular institutions catalog. Reference copies of various catalogs are available in the various offices at Lawson State.

Because of the highly specialized nature of courses in career programs, many of the courses are not designed for transfer to a four-year institution. Students also should note that courses with numbers below 100 usually do not transfer.

Students are strongly recommended to see an advisor regularly if they are planning to transfer to a four-year college or university. Representatives from four-year colleges often visit the campus to help Lawson State Community Colleges students plan their transfer programs.

#### TRANSCRIPTS OF GRADES:

Information on a students academic performance is available on a semester basis via direct mailings and transcript records.

**RESIDENCY:**

In-State vs. Out-of-State:

Lawson State Community College is supported by the taxpayers of Alabama. Students who are not state residents MUST pay out-of-state fees. A student's official residency is determined at the time of registration according to the residency policy of the state of Alabama.

To qualify for in-state tuition, a legal residence must have maintained residency in Alabama for at least the twelve months immediately preceding the date of first enrollment in an institution of higher education in Alabama.

**CHANGE OF ADDRESS:**

A student should report a change of address on forms available in the Office of Admissions and the Office of Student Records / Registrar.

**GRADES AND RELATED MARKS:**

The following letter symbols are used to indicate the student's level of achievement in courses taken:

Grading Scale for the Programs		
A	Excellent	(90 100)
B	Good	(80 89)
C	Average	(70 79)
D	Poor	(60 69)
F	Failure	(59 and below)
AU	Audit	
I	Incomplete	
W	Withdrawal	
WF	Withdrawal Failing	
WP	Withdrawal Passing	

Grading Scale for the Nursing Program

No rounding of test scores is done (ex. 78.6 is 78.6). Only the final course grade is rounded: 0.5 or higher is raised to the next whole number.

A	Excellent	(90 - 100)
B	Good	(80 - 89)
C	Average	(75 - 79)
D	Poor	(60 - 74)
F	Failure	(74.9 and Below)
AU	Audit	
I	Incomplete	
W	Withdrawal	
WF	Withdrawal Failing	
WP	Withdrawal Passing	

NOTE: Some programs and/or courses may require a higher numeric range than the standard noted above.

A,B,C are letter grades which represent levels of accomplishment sufficient to allow students to progress satisfactorily toward graduation and/or prerequisite requirements.

D is a letter grade which indicates minimum level accomplishment. Some courses/programs require a minimum of a "C" grade to progress to the next course or to remain eligible for continuation in a program of study. Senior colleges and universities may or may not grant credit for a course in which the student has made a grade of "D".

F is the letter grade assigned to students who fail to meet minimum course requirements.

W, WP, and WF are letter grades assigned when a student withdraws from a course/courses after the designated drop/add period. The grade of W is assigned to a student who officially withdraws from a course(s) by the date designated in the semester schedule. The grade of WP may be assigned after the date set for withdrawals and indicated the student is passing the course at the time of withdrawal. The WF is may be assigned after the date set for withdrawals and indicates the student is failing at the time of withdrawal. The grade is punitive and will be calculated as an "F" in the grade point average. Withdrawal from course(s)/program(s) should be initiated by the student. Students must notify the Office of Admissions and Records of their intent to withdraw from a course, courses, or programs.

Withdrawal from class or removal from the registration database can affect eligibility for federal financial aid. For more information, a student may contact the Office of Financial Aid.

I is a letter grade which indicates incompleteness of course requirements; thus an "I" is not a satisfactory completion and will not allow a student to progress to the next course level. An "I" is awarded only under extenuating circumstances. An "I" typically is used to signify that an instructor has granted permission to a student to complete work or that the Dean or designee has approved the student to take her/his final examination late. Other circumstances as approved by the instructor and/or Dean of designee may be granted. The student must be aware that he is not to sign up for the course again, but to see the instructor promptly and complete the course requirements. The grade "I" may affect eligibility for federal financial aid. For more information, a

student may contact the Office of Financial Aid.

Regardless of the circumstances, a grade of I must be changed by the end of the following semester or it will be converted to an F. [NOTE: By policy, a shorter period for make-up work may be designated by the institution; however, most schools use the end of the semester. At LSCC, if a student is seeking federal financial aid, all "I's" must be removed prior to the awarding of federal financial aid.]

AU as a grade indicates audit and is a course taken for non-credit. Credit hours will not be averaged into the grade point average. Audit must be declared by the end of the registration period and may not be changed thereafter.

**GRADE POINTS:**

A student's academic standing or grade point average is a means to evaluate the overall quality of work being done. In order to perform this measure, the following grade points are assigned:

Grade Points		
A	4	grade points per hour
B	3	grade points per hour
C	2	grade points per hour
D	1	grade points per hour
F	0	grade points per hour
WF	0	grade points per hour

The student's grade point average is obtained by dividing the total grade points earned by the total number of semester hours for which the grades of A, B, C, D, F or WF are assigned. Marks of S, U, W, WP, I, and AU do not affect the grade point average but may affect financial aid.

A final grade is the instructors evaluation of the students work and achievement throughout the course. Grades and marks are given at the discretion of the instructor. Grade changes may occur if legitimate calculation errors are made. The "Change of Grade Form" must be obtained from the Office of Admissions and Records.

Factors upon which the final grade may be based are class participation, recitation, written and oral quizzes, reports, papers, final examination, and other class activities. At the beginning of each course, it is the responsibility of each instructor to notify students in writing the grading practices that will be used.

**WHAT THE GRADES MEAN:**

**F Grade**

The grade F is recorded if the student has failed the combined evaluation of work through the semester. A student who makes an F on the first semester of a sequence series of a course is not permitted to register for the succeeding sequences of the course before he or she

	has made up the failure.
<b>I Grade</b>	When a student has failed to complete the requirements of a course, the student may be given an Incomplete or I grade. The I grade is given only to a student whose work in a course has been qualitatively satisfactory (completed at least 75% of course requirements). All requirements to remove an I must be completed within six weeks of the following semester in which the grade was given. If requirements are not completed within the six weeks period, the grade of F will be assigned.
<b>W Grade</b>	A student who wishes to withdraw from a course or courses within the first twelve weeks of the semester may do so without the credit hours being computed as hours attempted.
<b>WP Grade</b>	Indicates the student withdrew from the course or courses after the twelfth week and was making satisfactory progress. The credit hours will not be computed as hours attempted.
<b>WF Grade</b>	Indicates the student withdrew from the course or courses after the first twelve weeks and was failing. The grade will be counted as a grade of F earned and computed in the grade point average.
<b>AU Grade</b>	(Audit) Courses taken for no credit. Credit hours will not be averaged into the grade point average. A course that is being audited must be declared by the end of the registration period and may not be changed thereafter. The fees are the same as for regular college credit.
<b>S Grade</b>	S indicates satisfactory completion of course work numbered 0-99 which carry institutional credit and are not acceptable toward degree or certificate requirements. Credit hours are not averaged into the grade point average.
<b>U Grade</b>	U indicates unsatisfactory progress in the course, numbered 0-99 which carry

institutional credit and not applicable toward degree or certificate requirements. A student is not allowed to progress to the next course in the sequence until he or she has earned a satisfactory grade.

A student who receives a grade of U for two semesters may not take the course a third semester until he or she received special academic advising. The student must appeal through the institutional appeal process before being allowed to enroll in the course for the fourth time. Credit hours are not averaged in the grade point average.

Note: Withdrawal from a class or removal from the registration can affect eligibility for federal financial aid. The grade of I may affect eligibility for federal financial aid. For more information, a student may contact the Office of Financial Aid.

#### STANDARDS OF ACADEMIC PROGRESS:

These standards of progress shall apply to all students unless otherwise noted.

Exceptions: Programs within the institution which are subject to external licensure, certification, and/or accreditation, or which are fewer than four semesters in length may have higher standards of progress than the institutional standards of progress.

Selected transfer students will be placed on academic probation upon admission and must transition to these standards of academic progress.

Special standards of academic progress have been established for students enrolled in institutional credit courses carrying optional grades and for students who wish to remain eligible to receive Title IV Financial Aid.

#### REQUIRED GPA LEVELS ACCORDING TO HOURS ATTEMPTED AT LAWSON STATE:

The following applies to required GPA for attempted hours:

- Students who have attempted 12-21 semester credit hours at the institution must maintain a 1.50 cumulative grade point average.
- Students who have attempted 22-32 semester credit hours at the institution must maintain a 1.75 cumulative grade point average.
- Students who have attempted 33 or more semester credit hours at the institution must maintain a 2.00 cumulative grade point average.

#### INTERVENTION FOR STUDENT SUCCESS:

When a student is placed on academic probation, one-term academic suspension, or one-calendar year academic suspension, college officials may provide intervention for the student by taking steps including, but not limited to, imposing maximum course loads, requiring a study skills course, and/or prescribing other specific courses.

#### APPLICATION OF STANDARDS OF PROGRESS:

- When the cumulative GPA is at or above the GPA required for the total number of credit hours attempted at the institution, the students status is Clear.

- When a student's cumulative GPA is below the GPA required for the number of credit hours attempted at the institution, the student is placed on academic probation.
- When the cumulative GPA of a student who is on academic probation remains below the GPA required for the total number of credit hours attempted at the institution, but the semester GPA is 2.0 or above, the student remains on academic probation.
- When the cumulative GPA of a student who is on academic probation remains below the GPA required for the total number of credit hours attempted at the institution and the semester GPA is below 2.0, the student is suspended for one semester. The transcript will read suspended one semester.
- The student who is suspended for one semester may appeal. If, after appeal, the student is readmitted without serving the one semester suspension, the transcript will read Suspended One Semester / Readmitted Upon Appeal. The student who is readmitted upon appeal re-enters the institution on academic probation.
- A student who is on academic probation, after being suspended for one semester, will remain on academic probation until the required GPA for the total number of hours attempted is sufficient.
- A student returning from a one semester suspension that has failed to obtain the required GPA for the number of hours attempted, and has failed to maintain a semester GPA of 2.0, will be placed on a one year suspension. The student may appeal a one term or one-year suspension.
- The permanent student record will reflect the student's status (except when the status is clear). When appropriate, the record will reflect Academic Probation, Academic Suspension One Term, Academic Probation One Year, One Term Suspension Readmitted On Appeal, or One-Year Suspension Readmitted On Appeal.

If a student declares no contest of the facts leading to suspension, but wishes to request consideration for readmission, the student may submit a request in writing for an appeal for readmission to the Dean of Student Development Services within a designated published number of days of receipt of the notice of suspension. During the meeting, which shall not be considered a due process hearing, but rather a petition for readmission, the student shall be given an opportunity to present a rationale and/or statement of mitigating circumstances in support of immediate readmission. The decision, together with the materials presented by the student, shall be placed in the Lawson State's official records. Additionally a copy of the written decision shall be provided to the student. Equity, reasonableness, and consistency should be the standards by which such decisions are measured.

#### Definition of Terms: Standards of Progress

**Grade Point Average (GPA)** The grade point average based on all hours attempted during any one term at the institution based on a 4.0 grading scale.

total number of credit hours attempted at the institution. (or) The status of a student who was on academic probation the previous term and whose cumulative GPA for that semester remained below the level required by the policy for the total number of credit hours attempted at the institution, but whose semester GPA for that term was 2.0 or above.

#### One Semester Academic Suspension

#### Appeal of Suspension

The process by which an institution shall allow a student, suspended for one term or one year (whether a native student or a transfer student), to request readmission without having to serve the suspension.

#### ACADEMIC BANKRUPTCY:

A student at Lawson State may declare academic bankruptcy only once. The student may request in writing, to the Office of Student Records, declaration of academic bankruptcy under the following conditions:

- If fewer than three (3) calendar years have elapsed since the semester for which the student wishes to declare bankruptcy, the student may declare academic bankruptcy on all course work taken during that one semester. The student MUST have taken a minimum of 20 semester credit hours of work since the bankruptcy semester occurred. All course work taken, even hours completed satisfactorily during the semester for which academic bankruptcy is declared, will be disregarded in the cumulative GPA.
- If three (3) or more calendar years have elapsed since the most recent semester for which the student wishes to declare bankruptcy, the student may declare academic bankruptcy on all course work taken during 1-3 semesters. The student MUST have taken a minimum of 20 semester credit hours of course work at Lawson State since the bankruptcy occurred. All course work taken, even hours completed satisfactorily, during semester(s) for which academic bankruptcy is declared, will be disregarded in the cumulative grade point average.

When academic bankruptcy is declared, the term Academic Bankruptcy will be reflected on the transcript for each semester affected. When academic bankruptcy is declared, the transcript will reflect the semester of its implementation and the transcript will be stamped Academic Bankruptcy Implemented.

Implementation of academic bankruptcy at Lawson State Community College does not guarantee that other institutions will approve such action. This determination will be made by the respective transfer institution.

#### DISMISSAL FROM AN ASSOCIATE IN APPLIED SCIENCE DEGREE PROGRAM AND

**CERTIFICATE PROGRAM:** If the department chairperson determines that a student is not a safe and dependable practitioner in the lab, shop, clinic, or field area (in the progress of a course), the student may be dismissed from the program with the concurrence of the Vice President through the due process procedure.

Due to the fact that certain courses of many occupational programs are prescribed in a one or two-year sequential pattern and are offered only once during the sequence, a student has no opportunity to repeat one of these courses or to elect a substitution course. Therefore, a student who fails one of these courses will be dismissed from the program at the end of the semester in which the failure occurs.

Students dismissed from an occupational program under this policy may petition for enrollment in a later class. Re-enrollment may be based on availability of space. Dismissal from a degree or certificate program does not cause dismissal from the college.

#### **GROUNDINGS FOR STUDENT DISMISSAL:**

Academic standards and compliance with accreditation and legal requirements are maintained through regulations and policies related to student behavior, both in and out of the classroom (matriculation for scholarly pursuit and citizenship regulations).

#### **HONORS LIST:**

##### Presidents List

The Presidents List is a semester honor roll for students attaining a grade point average of 4.0 consisting of twelve or more hours of work in any given semester (with no withdrawals and/or incompletes being recorded).

In addition, to be eligible for a graduation honor, the student must have completed a minimum of 32 semester credit hours at the college conferring the degree.

#### REPEATING COURSES:

If a student repeats a course once, the second grade awarded (excluding grades of AU, W and

WP) replaces the first grade in the computation of the cumulative grade point average. The grade and grade point average during the term in which the course was first attempted will not be affected.

When a course is repeated more than once, all grades for the course, excluding the first grade, will be employed in computation of the cumulative grade point average. Official records at the institution will list each course in which a student has enrolled. A repeated course will count only once toward the requirements for graduation.

#### Confidentiality of Student Records

The Family Educational Rights and Privacy Act (FERPA) of 1974, 20 U.S.C. 1232g, is a federal law that protects the confidentiality of student educational records. Lawson State Community College officials recognize their obligation to exercise discretion in recording and disseminating information about a student. To implement this law and to meet the obligation to the student, a written institutional policy governing student records has been formulated. Annual notification will be made to Lawson State Community College students to their rights relative to educational records by publishing the policy in the Student Catalog 2007-2009 and distributing copies of the policy at fall registration.

For purposes of this policy, a student is defined as an individual who has been admitted and is enrolled or has been enrolled at the College. A student has the right of access to his/her educational records and may inspect and review the information contained therein. Exceptions to a student's rights of access are stated in the College policy. Educational records refer to all records maintained directly pertaining to an individual as a student. At the postsecondary level, parents have no inherent rights to inspect a student's education records. The right to inspect is limited solely to the student.

#### Student Access to Records

A. The student has the following rights:

- To be provided with a list of the types of educational records maintained in the College.
- To inspect and review contents of these educational records.
- To be given responses by the Director of Admissions and Records to reasonable requests for explanation and interpretation of these records.
- To request amendment of any part of these records considered by the student to be inaccurate or misleading.
- To be afforded hearings, should the request to amend the records be declined.

B. The student does not have access to the following records:

- Financial records, including any information those records contain, of his/her parents.
- Confidential letters and confidential statements of recommendation placed in the educational record prior to January 1, 1975, as long as the statements are used only for the purposes for which they were specifically intended.
- Confidential letters and statements of recommendations placed in the file after January 1, 1975, if the student has waived his/her right to inspect and review those letters and statements and those letters and statements are related to the student's admission to an educational institution, application for employment, and receipt of an honor or honorary recognition.
- Instructional, supervisory, and administrative personnel records which remain the sole possession of the maker.
- Campus security records.
- Employment records, except when such employment requires that the person be a student.
- Alumni office records.
- Physical or mental health records created by a physician, psychiatrist, psychologist, or other recognized professionals.

Procedures for Access:

The Office Student Records has a list of educational records maintained by the College. The Registrar may require that a college official be present when a student inspects and reviews his/her educational records. A student should submit to the Registrar a letter that identifies the record(s) he/she wishes to inspect. If it is an inappropriate time to retrieve the record(s) on short notice, the Registrar will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the Registrar, the student will be advised of the correct official to whom the request should be addressed. Any questions concerning a student's access to records should be directed to the Registrar.

If the decision is not to amend the record as requested by the student, the Dean of Students will notify

the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.
