Dr. Charles Murray  
Dean of Career and Technical Programs  
Lawson State Community College  
P.O. Box 308, US Highway 11 South  
Bessemer, AL 35021

Dear Dr. Murray:

Complete evaluation results of the Medium/Heavy Truck technician-training program at Lawson State Community College have been received and reviewed.

Congratulations! I am pleased to inform you that all eight areas meet the strict industry standards required for ASE MASTER certification of your program. This is the highest level of achievement recognized by the National Institute for Automotive Excellence (ASE).

Although many educational institutions strive for it, only a small percentage achieves this certification. Both the educational and automotive communities should be proud of your commitment to quality Medium/Heavy Truck training programs.

To acknowledge your accomplishment for ASE Master certification, we are having the name of your school engraved on a plaque, which will display metal plates for all eight areas. You will receive this plaque within 4-6 weeks.

Again, congratulations on your achievement.

Sincerely,

William A. Kersten  
Senior Vice President, ASE  
President, NATEF
