

# Training for Business and Industry Committee

## End of Year Report

### 2006 – 2007

The Training for Business and Industry Committee met April 4, 2007. The action items that originated from that meeting resulted in the committee deciding on two main goals to accomplish during the year. The goals the committee decided to pursue and the status of those goals are below:

	<b>Goal</b>	<b>Status</b>
1	<p>Enlighten more businesses and industries about Lawson State's Training for Business and Industry Program, and how it can benefit them by providing them with custom designed, flexible, high quality, cost effective, training and other services.</p>	<p><b>Accomplished/Ongoing</b>            We have/will provide training for the following businesses, and we expect the list to continue to grow as we build trust, credibility, and success stories.</p> <p>DECOMA-MSIG                Basic Computer Classes                Team Leadership Training</p> <p>Love Lady Center                GED                Basic Computer Classes</p> <p>DHR                Basic Skills Training</p> <p>Alabama Power                Pre-employment Test Prep.</p> <p>Jefferson Warrior Railroad &amp; Lehigh                Training</p> <p>CPL Resources                Test Facilitation</p> <p>Note: These are the companies that the TBI Committee is aware of.</p>
2	<p>Develop strategies and processes to help TBI divisions work together, complement each other, appear seamless in action to the customer, and support the main goal, excellence.</p>	<p><b>Accomplished/Ongoing</b>            A joint meeting with all LSCC TBI divisions was held several times during the year.</p> <p>We created a directory of all TBI providers at Lawson State, complete with contact information/pictures, and information about the services each division provides. This information is filed on the "L" Drive under Departments Groups &amp; Projects – Corporate – TBI Contacts and Information.</p>

See the 4/4/07 meeting notes for the names of all the TBI Committee members.
