

What is STARS?

STARS stands for Statewide Transfer & Articulation Reporting System. STARS is a web-accessible database system which provides guidance and direction for prospective transfer students in the State of Alabama.

The [STARS System](#) allows public two-year students in Alabama to obtain a Transfer Guide/Agreement for the major of their choice. This guide/agreement, if used correctly, guides the student through their first two years of coursework and prevents loss of credit hours upon transfer to the appropriate public four-year university in Alabama. Although transfer guides/agreements can only be printed for two-year to four-year transfers, the STARS system can still provide guidance and direction to transfer students who have a different transfer situation.

The [Alabama Articulation and General Studies Committee \(AGSC\)](#) is responsible for the oversight and monitoring of the STARS System. The information that students receive from the STARS System has been approved by the AGSC.
