Randy Fail called the meeting to order at 1:15 p.m. A copy of the submitted suggestions for marketing the Q.E.P. was given to all attending members for review. (A copy was also sent to Dr. Monti, who could not attend the meeting, via e-mail for his review) As of the start of the meeting, only nine team members have submitted suggestions. A request was made to those who have not submitted suggestions to please do so as soon as possible. Regina Doriety stated a web page with resources, blogs, dates etc... was essential.

Randy Fail gave a report of the Professional Development team meeting he attended on Tuesday, April 28th. The team has not given the Faculty/Facilitator Academy a name as of yet, but they are leaning towards F.A.M.E., Faculty Academy of Master Educators. The team has not determined how the facilitators will be selected or who will do the selecting. The team also said that special recognition in the form of plaques, parking spaces, and special funds for their classroom are suggested ways to market to faculty for F.A.M.E. participation.

Regina Doriety strongly encouraged the team to get something on paper. It was decided that the co-chairs will meet Wednesday, May 6 at 10:00 in Geri Albright's office. The task is to form a time line for the five year plan.

The next Marketing and Special Events team meeting will be Thursday, May 14th @ 2:00.

Randy Fail adjourned the meeting at 2:00 p.m.
