Content Areas	Total Number Of Tasks Evaluated
Scientific Concepts	25
Hair Care and Services	43
Skin Care and Services	9
Nail Care and Services	8

The columns titled ~~Content Area Part Scores~~ indicates the number of tasks that were demonstrated correctly on the practical examination ~~or answered~~ correctly on the written examination. The column titled Total Number of Tasks Evaluated indicates the total number of tasks evaluated in each content area. These part scores can be used to assess those areas where your students were strong or weak. These part scores cannot be transferred to a percentage, nor added for overall performance.
