Campus Safety Information

The College supplies information to you on crime prevention, procedures for reporting crime, resources for victims, and crime statistics to enhance the safety and security of everyone who visits, studies, or works on our campus.

To comply with the federal Jeanne Clery Act, we have organized this information in accordance with these specific regulations:

You will need [Adobe Acrobat Reader](#) to access the document.

The Clery Act

Following the 1986 tragic sexual assault and murder of a young woman named Jeanne Clery at Lehigh University in Pennsylvania, her parents organized and lobbied to establish standards for crime reporting on all college campuses in the nation. The result of their effort was the passage of the Student Right-To-Know and Campus Security Act in 1990. In 1998 the act was amended and renamed The Jeanne Clery Act.
