

The image shows a website navigation menu for NATEF. At the top left is the NATEF logo, which includes the ASE Certified logo and the text "NATEF National Automotive Technicians Education Foundation". To the right of the logo is a "Program Status" button. Below the logo is a vertical list of navigation buttons: "About Us", "Career Info", "Certified Programs", "Certification Process", "Integrated Academic Skills", "CASE", "End of Program Test", and "ETL Resource Center". To the right of the menu are three images: a red semi-truck, a red sports car, and a technician working on a car. Below the images is a "Contact NATEF" button and a link to "Visit the ASE Website" with the ASE logo.

*Celebrating 25 years of Certifying Programs!*
