### **LIBRARY/LEARNING RESOURCE CENTER**

The Learning Resource Center (LRC) serves as a support system; providing services and resources to sustain the mission and goals of the college. With innovative technology, print and non-print materials and instruction in library use, the library is a matrix of educational activity and gateway to information. The library is located in Building D of the West Campus (Birmingham) and Building A on the Bessemer campus. All students are entitled to free use of the LRC.

The library maintains open stacks on both campuses to allow direct access to approximately 60,000 books, more than 400 periodical subscriptions, 1000+ videocassettes and 10,000 microfilm and microfiche of back issues of magazines and newspapers. The collection may be accessed through the "Athena" on-line public access catalog which locates materials by using subject, title, author and keyword searches. It is available from any internet compatible computer through the library's web page, campus network and any remote location. The Center also provides public access to the Internet through work-stations with World Wide Web browsers, Microsoft Office software and information via CD-ROM and on-line databases. A collection of scholarly, essential, electronic information resources is accessed through the Alabama Virtual Library. Home access to the Alabama Virtual Library is provided for students and faculty through the Lawson State Community College LRC. Passwords and User ID's are available at the circulation desk.

Books are circulated for a 14 day loan period with one renewal. Reserved books, articles and audio-visual materials loan periods vary according to faculty recommendations. Failure to return books and other library materials can delay grades, and transcripts, until the library records are cleared. The student's name is referred to the Office of Admissions and Records.

Lawson State Community College's Learning Resource Center on the Bessemer campus includes the Library and Curriculum Services. Students may use the Learning Resource Center to improve proficiency in any subject for which software is available. The center houses multi-media workstations with Internet access, a large study room and computer labs.

Information Literacy is provided to all incoming students through Psychology 100 orientation classes, individual instruction and classes tailored to specific disciplines. Orientation to the library includes teaching new users

how to access bibliographic information and other learning resources. The library also provides students with opportunities to learn how to access information in different formats so that they can continue lifelong learning. Professional librarians work closely with faculty members and other information providers in assisting students in the effective use of resource materials.

## MOTOR VEHICLE INFORMATION

### General Campus Parking and Traffic Regulations

Lawson State Community College provides on-campus parking to handle as many vehicles as possible. However, rules and regulations are necessary to assure maximum usefulness and convenience. It is required that all students cooperate in seeing that these rules and regulations serve their intended purpose – to make parking spaces available to as many vehicles as possible, and, to assure a safe, smooth traffic flow on the campus.

The use of motor vehicles on the campus should be regarded as a privilege to park on campus. Each student and employee of the college should become familiar with and make every effort to comply with these rules and regulations.

### Vehicle Registration/Parking Decals

All motor vehicles operated on campus by students and employees alike must be registered with the Office of Safety and Security. Motor vehicles including motorcycles, motor scooters and motorbikes must be registered. It is further required that owners of these motor vehicles carry appropriate liability insurance on such vehicles. Vehicle registration decals can be obtained from the College Bookstore, located in the Leon Kennedy Student Center (Birmingham Campus) or the

College Cashier on the Bessemer Campus. To properly register a motor vehicle, all students and employees must present a current college ID and a current vehicle tag number in order to complete the vehicle registration and receive a parking decal.

Parking decals are valid for one year only. All decals expire yearly at the end of the Summer Semester and must be renewed annually. Parking decals are not transferable from one vehicle to another or from one individual to another.

All parking decals must be permanently affixed to the driver's side of the front window of all motor vehicles, except motorcycles and motorbikes. The parking decal must be easily seen. Only a current decal should be displayed.

Parking decals should be removed if a motor vehicle is sold or traded. All changes in motor vehicle ownership must be reported to the Office of the Chief of Police. The individual under whose name a vehicle is registered, and to whom a parking decal is issued, will be responsible for all violations, regardless of who is driving the vehicle.

### Parking and Traffic Restrictions/Regulations

All students and employees of the college are required to adhere to the following applicable parking and traffic restrictions while operating a motor vehicle on campus: Students and employees must park in designated areas as follows:

Curb/Parking Slot Color	Type Parking
Unpainted	Student
Green	Faculty and Staff
Red	Administrators
White	Visitors
Blue	Handicapped
Yellow	No Parking

- All parking will conform to mark off areas and shall be in accordance with curb/parking slot colors and parking signs.
- Improper parking will not be permitted anywhere on campus.
- Double parking is prohibited at all times.
- Parking on or over a line curb is prohibited.
- All parallel parking will be within twelve inches of the curb.
- In all lots marked with parking spaces, motor vehicles will be parked headed into the parking space.
