## **Local College**

### **Executive Women International**

Tammy Newman (35020) from Lawson State Community College has been awarded one of twelve ASIST scholarships from Executive Women International. Tammy competed locally in June, winning the \$5,000 top scholarship from EWI of Birmingham. Chapter-level winners are submitted to the National level for a chance to win one of 12 scholarships valued at \$2,500 each. *Cutline: President Perry Ward, Lawson State Community College; Tammy Newman, Lawson State Community College.*

The ASIST award is a flexible scholarship program that addresses the needs of adults who are working to improve their situation in life through education. The ASIST program benefits students who, for a variety of reasons, are facing work/life challenges. The applicants are either single parents, individuals just entering the workforce or displaced workers.

Tammy will be recognized at annual meeting in Louisville, KY on September 26. During the Scholarship luncheon, a Certificate of Achievement will be presented in Tammy's name to the President of EWI of Birmingham, Robin Warren (Birmingham Coca-Cola Bottling Company).
