

**LAWSON STATE COMMUNITY COLLEGE**  
**Department of Health Professions**  
**Associate Degree Nurse, Practical Nurse and LPN to ADN Mobility**  
**Checklist and Application Packet**

Thank you for your interest in the Department of Health Professions Nursing programs. This checklist is being provided to you to make sure you are eligible for the Department of Health Professions Applicant pool. It is the student's responsibility to submit a **completed** nursing application packet. **Incomplete packets and/or faxed packets are not acceptable.** Meeting the minimum admission criteria does not guarantee acceptance into the program.

- 1. Unconditional admission to the college. (Your completed college application, official high school and all official college transcripts, and COMPASS (ACT) placement scores must be on file in the Admission's office by the deadline date to be unconditionally accepted to the college. **Faxed Admissions Applications are not acceptable.**) *If you have earned 24 or more semester hours credit at a regionally accredited college, you do not need to have your \*high school transcript sent to the Admissions Office. (\*If you seek financial aid, you must provide a high school transcript.)*
- 2. Complete the Department of Health Professions application.
- 3. Attach all documents, including unofficial transcripts to the nursing application packet regardless of whether or not they were previously submitted to the Admissions office. (Including the Lawson State Community College transcripts).
- 4. Attach COMPASS test scores to the nursing application. The COMPASS reading score must be taken within the past three years with a score of 76 or higher OR the ACT test must be taken within the past three years with a 17 or higher on the reading test.
- 5. A minimum of 2.50 GPA based on the following criteria:
  - o Student has undergraduate level credit hours: Compute the GPA based on the most recent 24 hours of undergraduate credit hours;
  - o Student that has 24 or more credit hours at the graduate level: Compute the GPA based on the most recent 24 hours of graduate level credit hours- undergraduate level credit hours are ignored;
  - o Student that has less than 24 hours at the graduate level: Compute the GPA based on the most recent 24 hours of undergraduate credit hours – graduate credit hours are ignored
  - o For students who have completed any college course work; high school credits will not be used in calculating GPA except as required in the Early College Enrollment Program.
  - o For students who have completed no college course work the final cumulative high school GPA should be a 2.5 or higher OR successfully passed the GED exam.
- 6. Eligible to enroll in MTH 116 or MTH100 or higher level math course (as determined by college) or have taken MTH 116 or higher level math course.
- 7. Eligible to enroll in ENG 101 (as determined by college) or have taken ENG101.
- 8. Mobility students only, LPN to ADN, must have valid, unencumbered Alabama LPN license and documented evidence of 500 hrs work experience as a LPN within 12 months prior to the start of NUR 201 to qualify for the Mobility Program. LPN's who have been graduated from school more than 24 months, or who did not graduate from The Alabama College System approved curriculum must successfully complete NUR 200 Nursing Mobility Course prior to the start of the Mobility Program in the summer semester. NUR 200 is offered in the Spring Semester. NUR 200, MTH 116 or MTH100, or higher, BIO 201, BIO 202, and ENG 101 are prerequisites.

Please note: Meeting minimum requirements does not guarantee acceptance.

## THE ALABAMA COLLEGE SYSTEM NURSING PROGRAMS ESSENTIAL FUNCTIONS

The Alabama College System endorses the Americans' with Disabilities Act. In accordance with College policy, when requested, reasonable accommodations may be provided for individuals with disabilities.

Physical, cognitive, psychomotor, affective and social abilities are required in unique combinations to provide safe and effective nursing care. The applicant/student must be able to meet the essential functions with or without reasonable accommodations throughout the program of learning. Admission, progression and graduation are contingent upon one's ability to demonstrate the essential functions delineated for the nursing programs with or without reasonable accommodations. The nursing programs and/or its affiliated clinical agencies may identify additional essential functions. The nursing programs reserve the right to amend the essential functions as deemed necessary.

In order to be admitted and to progress in the nursing program one must possess a functional level of ability to perform the duties required of a nurse. Admission or progression may be denied if a student is unable to demonstrate the essential functions with or without reasonable accommodations.

The essential functions delineated are those deemed necessary the Alabama College System nursing programs. No representation regarding industrial standards is implied. Similarly, any reasonable accommodations made will be determined and applied to the respective nursing program and may vary from reasonable accommodations made by healthcare employers.

The essential functions delineated below are necessary for nursing program admission, progression and graduation and for the provision of safe and effective nursing care. The essential functions include but are not limited to the ability to:

- 1) Sensory Perception
  - a) Visual
    - i) Observe and discern subtle changes in physical conditions and the environment
    - ii) Visualize different color spectrums and color changes
    - iii) Read fine print in varying levels of light
    - iv) Read for prolonged periods of time
    - v) Read cursive writing
    - vi) Read at varying distances
    - vii) Read data/information displayed on monitors/equipment
  - b) Auditory
    - i) Interpret monitoring devices
    - ii) Distinguish muffled sounds heard through a stethoscope
    - iii) Hear and discriminate high and low frequency sounds produced by the body and the environment
    - iv) Effectively hear to communicate with others
  - c) Tactile
    - i) Discern tremors, vibrations, pulses, textures, temperature, shapes, size, location and other physical characteristics
  - d) Olfactory
    - i) Detect body odors and odors in the environment
- 2) Communication/ Interpersonal Relationships
  - a) Verbally and in writing, engage in a two-way communication and interact effectively with others, from a variety of social, emotional, cultural and intellectual backgrounds
  - b) Work effectively in groups
  - c) Work effectively independently
  - d) Discern and interpret nonverbal communication
  - e) Express one's ideas and feelings clearly
  - f) Communicate with others accurately in a timely manner
  - g) Obtain communications from a computer
- 3) Cognitive/Critical Thinking
  - a) Effectively read, write and comprehend the English language
  - b) Consistently and dependably engage in the process of critical thinking in order to formulate and implement safe and ethical nursing decisions in a variety of health care settings
  - c) Demonstrate satisfactory performance on written examinations including mathematical computations without a calculator
  - d) Satisfactorily achieve the program objectives

- 4) Motor Function
  - a) Handle small delicate equipment/objects without extraneous movement, contamination or destruction
  - b) Move, position, turn, transfer, assist with lifting or lift and carry clients without injury to clients, self or others
  - c) Maintain balance from any position
  - d) Stand on both legs
  - e) Coordinate hand/eye movements
  - f) Push/pull heavy objects without injury to client, self or others
  - g) Stand, bend, walk and/or sit for 6-12 hours in a clinical setting performing physical activities requiring energy without jeopardizing the safety of the client, self or others
  - h) Walk without a cane, walker or crutches
  - i) Function with hands free for nursing care and transporting items
  - j) Transport self and client without the use of electrical devices
  - k) Flex, abduct and rotate all joints freely
  - l) Respond rapidly to emergency situations
  - m) Maneuver in small areas
  - n) Perform daily care functions for the client
  - o) Coordinate fine and gross motor hand movements to provide safe effective nursing care
  - p) Calibrate/use equipment
  - q) Execute movement required to provide nursing care in all health care settings
  - r) Perform CPR and physical assessment
  - s) Operate a computer
  
- 5) Professional Behavior
  - a) Convey caring, respect, sensitivity, tact, compassion, empathy, tolerance and a healthy attitude toward others
  - b) Demonstrate a mentally healthy attitude that is age appropriate in relationship to the client
  - c) Handle multiple tasks concurrently
  - d) Perform safe, effective nursing care for clients in a caring context
  - e) Understand and follow the policies and procedures of the College and clinical agencies
  - f) Understand the consequences of violating the student code of conduct
  - g) Understand that posing a direct threat to others is unacceptable and subjects one to discipline
  - h) Meet qualifications for licensure by examination as stipulated by the Alabama Board of Nursing
  - i) Not to pose a threat to self or others
  - j) Function effectively in situations of uncertainty and stress inherent in providing nursing care
  - k) Adapt to changing environments and situations
  - l) Remain free of chemical dependency
  - m) Report promptly to clinicals and remain for 6-12 hours on the clinical unit
  - n) Provide nursing care in an appropriate time frame
  - o) Accepts responsibility, accountability, and ownership of one's actions
  - p) Seek supervision/consultation in a timely manner
  - q) Examine and modify one's own behavior when it interferes with nursing care or learning

Upon admission, an individual who discloses a disability can request reasonable accommodations. Individuals will be asked to provide documentation of the disability in order to assist with the provision of appropriate reasonable accommodations. The respective College will provide reasonable accommodations but is not required to substantially alter the requirements or nature of the program or provide accommodations that inflict an undue burden on the respective College. In order to be admitted one must be able to perform all of the essential functions with or without reasonable accommodations. If an individual's health changes during the program of learning, so that the essential functions cannot be met with or without reasonable accommodations, the student will be withdrawn from the nursing program. The nursing faculty reserves the right at any time to require an additional medical examination at the student's expense in order to assist with the evaluation of the student's ability to perform the essential functions.

Requests for reasonable accommodations should be directed to: Renee Herndon, ADA Coordinator on the Bessemer Campus at 929-3419 or Janice Williams, ADA Coordinator on the Birmingham Campus at 929-6383.

**Lawson State Community College  
The Department of Health Professions  
Nursing Program Information  
Birmingham Campus**

The Birmingham Campus accepts ADN applicants twice each year. A class is selected for the summer semester (day only) and fall semester (day only). The application deadline for **summer semester** is **April 15<sup>th</sup>** and **Fall semester** is **June 1<sup>st</sup>**.

The Birmingham Campus accepts applications to the PN to ADN Mobility (NUR 200) program once a year; the application deadline is **November 1<sup>st</sup>**. This program begins in the spring semester with the NUR 200 Nursing Mobility course. LPN's who have been graduated from school more than 24 months, or who did not graduate from The Alabama Community College System approved curriculum must successfully complete NUR 200 Nursing Mobility Course before advancing to NUR 201 in the summer semester.

Applications are accepted twice a year for students who have completed the ACCS approved nursing curriculum before 24 months elapse. The deadline for the NUR 201 class for the **Spring Day** is **November 1<sup>st</sup>**. The deadline for the NUR 201 class for **Summer Day** is **April 15<sup>th</sup>**.

This **application, unofficial college** and **high school transcripts** and **COMPASS** (ACT) scores must be on file in the Department of Health Professions Birmingham Campus office by the above stated deadline dates for consideration for these programs. Official copies of the college and High school transcripts and the COMPAS (ACT) scores must be on file in the admissions office by the above stated deadline date for your application to be considered. It is recommended that you check to see if your file is complete prior to the deadline. The Department of Health Professions Birmingham Campus office telephone number is (205) 929-6329.

Please return to:     Lawson State Community College
