Lawson State Community College is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools to award the associate degree and certificates. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097 or call 404-679-4500 for questions about the accreditation of Lawson State Community College.

It is the policy of the Alabama State Board of Education and Lawson State Community College, a postsecondary institution under its control, that no person shall, on the grounds of race, color, sex, religion, national origin, age, or disability be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program activity, or employment.
Welcome to Lawson State Community College!

Welcome! Our doors are open to you at Lawson State Community College where you’ll become a part of a college community where students are the number one priority and the attention is on the educational success and career accomplishments of its students. You will be encouraged to pursue a curriculum that meets and enhances personal interests and career needs. Knowing that education continues beyond matriculation at Lawson State, it is our commitment to prepare our students for a lifetime of living and learning.

We provide outstanding training and a wide range of academic offerings for our students in a warm, supportive and respected environment. Furthermore, our dedicated faculty and staff take a personal interest in the progress of each student and work to engage, equip and empower all for success. As noted by so many of our students, individual attention and satisfying experiences are hallmarks of the college. I hasten to add that student engagement and student satisfaction were also key to Lawson State being ranked in 2010 as one of “America’s 50 Best Community Colleges” and ranked #5 in 2013 as a “Top 10 Overall Community College” by the Washington Monthly Magazine. You see, it’s that personal touch that adds to our distinction.

I encourage you to learn more about the number of educational and recreational opportunities that we have to offer. Come visit us - feel the aura of excitement and pride that abounds at Lawson State - and then make Lawson State your home!

Warmest Regards,

Perry W. Ward, Ph.D.

**STARS helps Lawson State students make an easy transition to any public four-year college or university in Alabama while retaining all course credits. This web-accessible database system provides guidance and direction to streamline the transfer process. A Transfer Guide/Agreement outlines the first two years of course work relative to the major of choice. If the guidelines are followed and the declared major does not change, students can transfer to any public four-year school in Alabama. For more information, consult your academic advisor or visit the STARS website at www.stars.troy.edu**

Lawson State’s Associate Degree programs are designed for students who seek immediate entry into the workforce, as well as those who plan to continue their education at a four-year college.
Career Services
The Career Services Center functions as a bridge between the student’s academic preparation and the world of work. The Center has numerous activities, including career counseling, maintaining a career information library, receiving and publishing job vacancy notices, arranging for prospective employers to visit the campus, interviewing applicants, mailing students’ credentials to prospective employers, and publicizing campus interviews.

Housing
The Residence Facility is a place for living and learning. Constructed in 2007, this smoke-free facility provides housing for 120 students. It is also a place you will make new friends during your enrollment. Residence Hall applications are available through the Office of Student Life (929-6352). Room assignments are made on a first-come, first-served basis.
Sports

Lawson State Community College is committed to providing quality intercollegiate and intramural programs designed to foster the personal growth of each student. These programs encourage individual and team achievement while fostering academic success. A variety of athletics and recreational facilities are available. The newly renovated Arthur Shores Fine Arts Building is equipped with a modern fitness center, hardwood court gym, swimming pool, and locker facilities. Students may participate in basketball, baseball, volleyball, field and track, cross-country, tennis, swimming and golf.
“Lawson State provides the total college experience. In addition to excelling in academic programs, you can participate with the clubs and organizations and enjoy sports. There is something for everyone.”
Activities
Activities at the College represent a diversity of student interests. Students are encouraged to participate in annual activities designed to set the cultural, spiritual, moral, and academic tone of the institution. Such activities include: SGA elections, installation of SGA officers, convocations, annual Christmas musicals, African-American history month, Career Fair, Blue and Gold Week, blood drives, Martin Luther King, Jr. celebration, vocational education week, health fairs, homecoming, art exhibits, honors convocation, and commencement activities.

Student Organizations
Student organizations are open to all students. These include: Student Government Association, Association of Information Technology Professionals, Alpha Theta Phi Library Society, Kappa Beta Delta International Honor Society, Phi Beta Lambda, Lawson State Ambassadors, Students in Free Enterprise, Student National Education Association, Inter-Club Council, Psychology Club, Human Services Club, Golden Key Club, Student Nurses Association, Pep Squad, Phi Theta Kappa Honor Society, Skills USA (VICA), AWS (American Welding Society), American Dental Assistants Association, SME (Society of Manufacturing Engineers), Dance Team, Cheerleaders, and the Choir.

Student Health Services Office
Student health services provides direct, basic health care to all students following assessments, illness or injury by licensed staff. Wellness is an integral component of our student health services.

“It’s obvious that Lawson State believes in balancing academic and social life. There is always something exciting to do and they are very active in the community; therefore on the weekends one can usually find a Lawson State sponsored event that the students and their family and friends can participate in and enjoy.”

Ebony
Irondale, Alabama
Counseling Services
The counseling staff provides professional guidance and counseling services. Services include: personal counseling, career and academic advisement, assessment (achievement, aptitude, career, interest, personality, self-directed search and values inventory), college transfer information, student activities information, tutorial services, and academic placement. Special needs referrals are made as needed and all services are confidential.

TRIO Programs
TRIO programs at the College are federally funded programs that identify youth or adults who are low income or first generation students. Participants are selected according to their potential for academic success. TRIO is comprised of two programs: Upward Bound and Student Support Services.

“The Student Services Division is committed to helping each student at Lawson State Community College achieve his/her goals. The division assists students with admissions, advisement, counseling services, registration, orientation, academic support services, special needs services, student activities, and career planning. Professionally trained staff are available to assist each student individually in evaluating his or her potential for success as he or she selects a program of study.”

Dr. Cynthia Anthony
Dean of Students
Student Records Office
The Student Records Office primarily stores and maintains student academic records. This office provides transcripts of student academic records (official and student copies), facilitates registration each semester for credit classes, verifies and certifies student enrollment status. In addition, the office processes grade changes, certificates and degrees, and changes in student information.

Student Recruitment Office
The Student Recruitment Office is comprised of the College’s recruitment team. The team actively promotes the College and its programs of study in a variety of venues while assisting prospective students’ transition into the College’s student body.

The Admissions Office and the Office of Student Financial Services are also part of Student Services. These areas are discussed within separate sections of this publication.

We invite you to come and see us, walk around the campus and become personally acquainted with all that is truly distinctive about Lawson State.

Financial Aid

Numerous financial aid options are available for Lawson State students, including grants, scholarships, and work-study programs. Detailed information is available at our Office of Student Financial Services.

Federal Pell Grants
Pell Grants are awards that do not require repayment. Amounts are based on individual or family financial circumstances and range from $400-$5550 per year. Applicants must complete the Free Application for Federal Student (FAFSA) available at Lawson State or online at www.fafsa.ed.gov.

Federal Supplemental Educational Opportunity Grant
These federal grants are awarded to students demonstrating exceptional financial need. Priority is given to Pell Grant recipients.

Alabama Student Assistance Program
The Alabama Student Assistance Program (ASAP) is a state-funded grant made available to Alabama residents demonstrating the greatest financial need who are Federal Pell Grant eligible. Funds are limited.

Work Study Programs
Federal and college-sponsored programs allow students to work on campus for 10-15 hours per week. Job opportunities are limited and students are encouraged to apply early.

Other financial assistance programs available through Lawson State:
• Tuition Management System
• Veterans’ Programs
• Alabama GI Dependents Scholarship Program
• Alabama National Guard Educational Assistance
• Alabama Student Assistance Program (ASAP)
• Alabama Prepaid Affordable College Tuition (PACT)
• Vocational Rehabilitation
• Workforce Investment Act (WIA)

Scholarships
Lawson State is your source for a wide range of private and institutional scholarships, including academic, athletic, technical and performing arts. Full-time students who maintain qualifying grade-point averages and fulfill other requirements can keep these scholarships throughout their programs of study. The scholarship deadline is April 15.

- Some allied health programs require departmental program applications by specific deadlines for admission to those programs.
- Class schedule information is published on the website and in print for your convenience.
- Transfer credit is evaluated and posted on a first come, first served basis prior to a student’s first semester if possible. Further information on transfer credits may be found in the college’s catalog.
- The Lawson State Community College ACT Code is 0078.
Centers for Success

**SPACE Center – “Student Persistence through Assistance and Collaborative Efforts”**

The SPACE Center is a comprehensive center designed to provide a structured means of ensuring that students are aware of and utilize the services and assistance provided by the College. Services include tutoring, counseling, academic advisement, mentoring, technology-based services, student financial services assistance, academic support activities and programming, non-academic support and referrals, faculty/staff awareness activities, collaboration and resource sharing, and special programs and community-based activities. These supportive services enhance persistence, student learning, and overall student success. Counselors and other College personnel proactively assist students in utilizing these services. The SPACE Center operates in collaboration with the Freshman Academy and the Center for Teaching Excellence and Learning (CTEL).

---

**The Freshman Academy**

The Freshman Academy is a one semester, one credit-hour, two contact-hour course designed to introduce first-year students to the Lawson State Community College experience. The course emphasizes student development in their commitment to academic success and focuses on the acceptance of individual responsibility in their academic, social and personal pursuits. It explains college services; examines college policies and procedures; explores educational goals and career plans; helps students identify their learning styles; provides seminars, workshops, guest speakers; and provides a variety of out-of-class experiences to impact the educational process and to improve student success skills. The Freshman Academy is designed to engage students in the learning process, to equip students with knowledge, skills, resources and experiences, and to empower students with a sense of intellectual curiosity about the learning process and its impact on their academic, social and personal choices.
