2022-2023 Unusual Enrollment History (UEH) Form Financial Aid Suspension

Your 2022-2023 Free Application for Federal Student Aid (FAFSA) has been flagged for “Unusual Enrollment History (UEH) Review” by the U. S. Department of Education because you received Federal Pell grant funds at multiple institutions during the academic years reviewed: **2018-19, 2019-20, 2020-21, AND 2021-22**. This flag requires **Lawson State Community College** to review your enrollment history and determine whether or not you earned academic credit at one or more of your previously attended institutions in which you received the Federal Pell Grant.

To make the determination of federal financial aid suspension; **Lawson State Community College** did the following in accordance with the U.S. Department of Education regulations:

1. Reviewed your Pell Grant History on the National Student Loan Data System (NSLDS) for the previous three award years.
2. Reviewed your enrollment and financial aid records to determine that you did not receive academic credit at one or more colleges you attended during those years in which you received Pell Grant funding.

The U.S. Department of Education recognizes that there may be legitimate reasons for the Unusual Enrollment History and gives the student the opportunity to appeal to the college. You may appeal this decision by completing and returning this form and supporting documentation to the Office of Student Financial Services for review and evaluation. If you wish to evaluate your Federal Financial Aid History, you **MUST** log into the National Student Loan Data System (NSLDS) at www.nsls.ed.gov to obtain your Federal financial aid history. You will need your Federal Student Aid ID to log in.
