The Retirement Systems of Alabama (RSA) is pleased to provide you with the 2013-2014 Public Education Employees’ Health Insurance Plan (PEEHIP) Member Handbook. This handbook is an important part of our commitment to provide our members with valuable information about their health care benefits. Please read this handbook thoroughly and keep it with your other benefit materials. Your member handbook is a very useful tool when you have questions about your PEEHIP benefits. It will help you make informed decisions about your future.

Due to the Federal Health Care Reform Legislation that passed in 2010, additional changes may occur to the PEEHIP program. For the most up to date information, please refer to the latest PEEHIP Member Handbook on the website at www.rsa-al.gov/PEEHIP/peehip.html.

The information in this handbook is based on the Code of Alabama 1975, Title 16, Chapter 25A. This handbook is not intended as a substitute for the laws of Alabama governing PEEHIP nor will its interpretation prevail should a conflict arise between its contents and Chapter 25A. Furthermore, the laws summarized here are subject to change by the Alabama Legislature. Do not rely solely upon the information provided in this handbook to make any decision regarding your health care benefits, but contact PEEHIP with any questions you may have about your health care benefits.
Availability of Summary Health Information

The Patient Protection and Affordable Care Act (PPACA) of 2010 created a new federal requirement for group health plans to provide the Summary of Benefits and Coverage (SBC) document to health plan members. Health benefits represent a significant component of your compensation package. The benefits also provide important protection for you and your family in the case of illness or injury.

PEEHIP offers a series of health coverage options. Choosing a health coverage option is an important decision. To help you make an informed choice, PEEHIP makes available a Summary of Benefits and Coverage (SBC), which summarizes important information about health coverage options in a standard format, to help you compare across options. The SBC is available at www.rsa-al.gov/peehip/sbc.html. A paper copy is also available, free of charge, by calling Member Services toll-free at 877.517.0020.

Note: The SBC is meant as a summary only and the coverage examples in the SBC on pages 2 and 7 are for illustration purposes only and may not be representative of the actual charges for copayments or out-of-pocket expenses for the PEEHIP plan. For more detailed benefit information, see the PEEHIP Summary Plan Description (SPD) at www.rsa-al.gov/peehip/peehip-pubs-forms.html.
Insurance Eligibility

Guidelines for Insurance Eligibility for Active Members

Full-time employees and permanent part-time employees are eligible for coverage with PEEHIP.

Full-time Employees
A full-time employee is any person employed on a full-time basis in any public institution of education within the state of Alabama. These institutions must provide instruction for any combination of grades K through 14 exclusively, under the auspices of the State Board of Education.

Permanent Part-time Employees
An eligible permanent part-time employee is not a substitute or a transient employee. A permanent part-time employee is eligible for PEEHIP if he or she agrees to payroll deduction for a pro rata portion of the premium cost for a full-time employee. The portion is based on the percentage of time the permanent part-time worker is employed.

Ineligible Employees
The following employees are not eligible to participate in PEEHIP:

- A seasonal, transient, intermittent or adjunct employee who is hired on an occasional or as needed basis.
- An adjunct instructor who is hired on a quarter-to-quarter or semester-to-semester basis and/or only teaches when a given class is in demand.
- Board attorneys and local school board members if they are not permanent employees of the institution.
- Contracted employees who may be on the payroll but are not actively employed by the school system.
- Extended day workers hired on an hourly or as needed basis.

Family Coverage Eligibility

Members can enroll their eligible dependents under PEEHIP during Open Enrollment (July 1 - August 31), or within 45 days of a valid IRS Qualifying Life Event, or within 30 days of a new employee’s hire date. Enrollment can be done by: 1) enrolling online through Member Online Services at www.rsa-al.gov; or 2) filing the applicable paper form: New Enrollment and Status Change. (Note: New employees are required to enroll online.)

An eligible dependent is defined as:

Spouse
The employee’s spouse as defined by Alabama law to whom you are currently and legally married. (Excludes a divorced and common law spouse.)

PEEHIP provides eligibility for a spouse to whom a member is currently and legally married and requires a copy of a marriage certificate to verify eligibility and one additional current document to show proof of current marital status such as one of the following:

- Marriage certificate
- AND one of the following documents to show marriage is still current:
  - Page 1 and signature page of member’s most current Federal Income Tax Return (1040, 1040A or 1040EZ) as filed with the IRS listing the spouse
  - Page 1 and Certificate of Electronic Filing or transmission page (if electronically completed or completed by a tax professional) of member’s most current Federal Income Tax Return (1040, 1040A, or 1040EZ) as filed with the IRS listing the spouse
  - Transcript of member’s most current Federal Income Tax Return (1040, 1040A, or 1040EZ) listing the spouse
Insurance Eligibility

◊ Current mortgage statement, home equity loan, or lease agreement listing both member and spouse, or listing the spouse at the same address as the member
◊ Current property tax documents listing both member and spouse, or listing the spouse at the same address as the member
◊ Automobile registration that is currently in effect listing both member and spouse, or listing the spouse at the same address as the member
◊ Current utility bill listing both member and spouse
◊ Current utility bill listing the spouse at the same address as the member

Note: “Current” is defined as within the last six months.

Black out Social Security numbers, account numbers, income, or statement balances prior to sending your documents to PEEHIP. Under no circumstances does PEEHIP solicit this type of information from members.

Children

PEEHIP offers dependent hospital medical coverage (at the member’s option) to children up to age 26. The normal family hospital medical rate will be charged to anyone who enrolls an eligible child. Maternity delivery charges are not covered for children of any age regardless of marital status.

In accordance with the federal Health Care Reform Legislation, the following children are eligible for coverage under your contract:

1. A married or unmarried child under the age of 26 if the child is your biological child, legally adopted child, stepchild or foster child without conditions of residency, student status, or dependency. A foster child is any child placed with you by an authorized placement agency or by judgment, decree, or other order of any court of competent jurisdiction.

2. The eligibility requirements for any other children such as grandchildren, for example, must meet the same requirements as foster children and must be placed with you by decree or other order of any court of competent jurisdiction, for example, legal custody or legal guardianship.

However, PEEHIP is not required and will not provide coverage for a child of a child receiving dependent coverage. Also, maternity delivery charges are not covered for children of any age regardless of marital status.

3. A dependent child of any age incapable of self-sustaining employment because of a physical or mental handicap and is chiefly dependent on the employee for support. The handicap must have existed prior to the time the child attained age 26. Also, the child had to be covered as a dependent on the employee’s PEEHIP policy before reaching the limiting age. For example, approved permanently incapacitated children can continue on any PEEHIP plans they are on at the time they age out, but they are not eligible to be covered on other PEEHIP plans once they reach the limiting age of 26.

The employee must contact the PEEHIP office and request an INCAPACITATED DEPENDENT form. Proof of the child’s condition and dependence must be submitted to PEEHIP within 45 days after the date the child would otherwise cease to be covered because of age. PEEHIP may require proof of the continuation of such condition and dependence. If the child is approved as an incapacitated child and allowed to stay on the PEEHIP Hospital Medical Plan, the child cannot change plans and be covered on other PEEHIP plans, such as an HMO or Optional Plan if he or she has already reached the limiting age of 26.
**Insurance Eligibility**

**Documentation Required by PEEHIP**

Every member who enrolls dependent(s) on his or her PEEHIP coverage(s) will be required to certify to PEEHIP their dependent’s eligibility. Certification will require appropriate documents to support your dependent’s eligibility. Such documents required will be a marriage certificate and one additional document to show proof of current marital status for a spouse such as one of the documents listed on pages 4 and 5.

Other documents required are a birth certificate for a natural child; a certificate of adoption for an adopted child; a marriage certificate and a birth certificate for a step child; a placement authorization for a foster child; a court order signed by a judge appointing legal guardianship or legal custody for other children who are not biological, adopted or step children.

**Enrollments cannot be processed without the appropriate documentation as explained above.**

**PEEHIP is not bound by a court order to insure dependents who do not meet PEEHIP guidelines.**

**Dependent Eligibility Audit**

PEEHIP has limited funds to cover the high cost of claims and coverage of its eligible members and their dependents who are enrolled in PEEHIP coverages. PEEHIP must use its limited funds appropriately and this entails monitoring compliance with eligibility policies to prevent fraud, waste and abuse. Therefore, in 2011 PEEHIP conducted a 100% dependent eligibility audit to ensure compliance with its dependent eligibility policies, and PEEHIP continues to monitor compliance.

If you are covering an ineligible dependent, you must notify PEEHIP and disenroll the dependent immediately. If you know of someone who is covering an ineligible dependent, please notify PEEHIP by phone 877.517.0020, fax 877.517.0021, email peehipinfo@rsa-al.gov or mail PEEHIP, P.O. Box 302150, Montgomery, AL 36130-2150.

Covering ineligible dependents unnecessarily raises costs for all eligible PEEHIP members. Help PEEHIP prevent fraud, waste and abuse through compliance with its dependent eligibility policies.

**Ineligible Dependents**

- Once an “eligible” dependent has “aged out,” that person is ineligible to participate in PEEHIP again as a dependent except subsequently as the spouse of an eligible member. The ineligible dependent must be removed from coverage the first day of the month following his or her 26th birthday.
- Ex-spouses and ex-stepchildren are not eligible dependents even if a member continues to pay for family coverage and regardless of what the divorce decree may state. The ex-spouse and ex-stepchildren must be deleted from coverage effective the first day of the month following the date of divorce. The member will be responsible for an ex-spouse’s and ex-stepchildren’s claims when they are not removed from coverage.
- An employee who is eligible for PEEHIP as a subscriber cannot be covered as a dependent child on another PEEHIP policy.
- A child of a dependent child cannot both be covered on the same policy.
- Examples of ineligible dependents include, but are not limited to, the following: ex-spouse; daughter-in-law or son-in-law; grandchildren or other children related to you by blood or marriage other than biological, adopted, foster or step-children for which you do not have legal guardianship or legal custody; children not related by blood or marriage to you for which you do not have legal guardianship or legal custody who are not foster children or adopted children and temporarily disabled dependent children who have aged out.

**COBRA for Dependents**

- When a child or spouse is no longer eligible for coverage, he or she may be eligible to continue health insurance coverage under COBRA. To elect coverage under COBRA, the member or dependent must notify PEEHIP within 60 days from the date the dependent is no longer eligible for coverage.
Coordination of Benefits and 
Retiree Employment Verification Audit

To ensure claims are properly processed, PEEHIP conducted a Coordination of Benefits (COB) audit in July 2013. The audit collected other insurance information on our members and their covered dependents, and verified retiree employment information for members who retired on or after October 1, 2005. Members involved in the audit were notified in July and were required to complete their audit by August 30, 2013.

PEEHIP will perform an annual audit on the retiree employment information for members who retired on or after October 1, 2005. Members are required to update their other insurance information with PEEHIP as changes occur so that the proper order of payment on claims can be made.

Newly Acquired Dependents and Single Coverage

Marriage
A member enrolled in single coverage who marries and wishes to acquire family coverage can request coverage within 45 days of the marriage. You must mail a copy of the marriage certificate to PEEHIP after adding the new spouse to coverage through Member Online Services at www.rsa-al.gov. The effective date of coverage can be the date of marriage or the first day of the following month. The 270-day waiting period on pre-existing conditions is waived if proof of previous coverage is received and approved by PEEHIP. Prior notification is not required.

If you do not enroll your new spouse through the online system or in writing within 45 days of the date of marriage, the policy cannot be changed to family and the new dependent cannot be added until the Open Enrollment Period.

Members will be required to make payment for the additional family premium at time of enrollment.

Newborn
Members enrolled in single coverage who desire family coverage due to the birth of a child can request coverage within 45 days of the birth. You must provide a copy of the birth certificate and the child’s Social Security number after adding your newborn through the Member Online Services system at www.rsa-al.gov. You can also submit written notification to PEEHIP within 45 days of the date of birth. The effective date of coverage can be the date of birth or the first day of the following month. A waiting period on pre-existing conditions is waived for the newborn child. Prior notification is not required.

If PEEHIP does not receive your online enrollment or written notification within 45 days of the date of birth, the policy cannot be changed to family and the new dependent cannot be added until the Open Enrollment period. If a newborn is not covered on the date of birth, claims for the newborn at the time of birth will not be paid.

When adding family coverage, a member can add all eligible dependents to the policy. However, the newly added dependents who are age 19 or older may be subject to the 270-day waiting period on pre-existing conditions unless proof of previous coverage is received and approved by PEEHIP. A member who is only enrolled in the four Optional Plans cannot enroll in the Hospital Medical Plan due to the birth of a child.

Members will be required to make payment for the additional family premium at time of enrollment.

Newly Acquired Dependents and Family Coverage

If a member is enrolled in family coverage, the member can enroll a new dependent(s) by using the Member Online System at www.rsa-al.gov or by completing and mailing a NEW ENROLLMENT AND STATUS CHANGE form to PEEHIP within 45 days of acquiring the dependent(s). Prior notification is not required. Application for dependent coverage must be made by the employee and approved and processed by PEEHIP prior to the payment of any claims.
Enrollment Issues

Insurance premiums and enrollments are handled by PEEHIP, not by the employer. Because PEEHIP determines and manages the premium deductions, active and retired members are required to send all insurance changes to PEEHIP.

Prior to the payroll cutoff date, PEEHIP sends an electronic file to each employer authorizing the payroll deductions for each employer. The payroll deduction amount is based on the insurance plan(s) each member selects. If the payroll deduction is incorrect, members need to contact PEEHIP instead of their employer. It is imperative for PEEHIP to have your correct home mailing address so all members can receive important PEEHIP information.

Open Enrollment

Open Enrollment begins July 1 and ends August 31. Online Open Enrollment begins July 1 and is extended to midnight of September 10. Online enrollment through Member Online Services (MOS) is the preferred method of enrolling during Open Enrollment. If you miss the Open Enrollment deadlines, you must wait until the next Open Enrollment period to enroll in or make changes to your PEEHIP coverage.

Current Employees

Current employees enrolling in new medical coverage during Open Enrollment will have the 270-day waiting period on pre-existing conditions waived for themselves and their covered dependents.

New Employees

New employees can enroll in coverage within 30 days of their hire date and have the option of their coverage being effective their date of hire or the first day of the month following their date of hire. Or, new employees can enroll in coverage during Open Enrollment of July 1 - August 31, and the coverage will be effective October 1.

New employees must enroll online through Member Online Services and the enrollment must be completed within 30 days of the new employee’s employment date. The New Employee enrollment link within MOS is only available up until the 30th day after the employment date, and then it is removed. If online enrollment is not completed within the deadline, the new employee is only permitted to enroll in single Hospital Medical coverage and a paper enrollment form must be submitted and the effective date will be the date the form is completed. The employee must wait until Open Enrollment to enroll in family medical coverage and/or to enroll in optional coverage plans (dental, vision, cancer, and indemnity).

Premiums are due one month prior to the coverage period and will be payroll deducted. However, the first month’s premium must be paid at the time of enrollment because new employees will not yet have a paycheck for payroll deduction of the first month’s premium.

Waiting periods will apply on pre-existing conditions for all new coverages not effective on October 1, subject to the following conditions: new employees and dependents with effective dates of coverage on or after July 1 and before October 1 are given waivers on the waiting periods for pre-existing conditions and children under the age of 19 are given waivers on waiting periods for pre-existing conditions.

Unless proof of previous coverage is received and approved by PEEHIP, employees with effective dates of coverage after October 1 and before July 1 are required to serve a 270-day waiting period on pre-existing conditions.

New employees employed during the Open Enrollment period cannot enroll in the Optional Plans on their date of employment and cancel the plans October 1 of that same year.

Transfers

Employees who transfer from one system to another system are considered current employees and are NOT considered new employees for insurance enrollment purposes.
and, therefore, must keep existing PEEHIP coverage and cannot make insurance changes until the Open Enrollment period.

Rehired Employee
If an employee is terminated at the end of the school year and transfers to another system or is rehired by the same system for the next school year, or a retiree suspends his retirement and comes back to work, the employee is not considered a “new employee” for insurance purposes and the employee cannot make insurance changes except during the open enrollment period. For example, if a member is terminated on May 25, and rehired on August 3, the member cannot enroll in new coverages until the open enrollment period. The member’s existing insurance coverage will automatically be reinstated with no lapse in coverage.

Open Enrollment Deadline Dates

The Open Enrollment period begins July 1 and ends August 31 for changes to be effective October 1. Each year, all PEEHIP eligible active and retired members are sent an Open Enrollment, one-page notice to their home address. In addition, the complete Open Enrollment packet is available on the PEEHIP Open Enrollment web page by July 1 every year. Active and retired members can view and/or download a copy of the Open Enrollment packet from the PEEHIP Open Enrollment web page at www.rsa-al.gov/PEEHIP/open-enroll.html.

Open Enrollment will end by the following deadlines:

- The deadline for submitting online Open Enrollment changes is midnight of September 10. After September 10, online Open Enrollment changes will not be accepted and the Open Enrollment link will be closed.
- The deadline for submitting paper Open Enrollment forms is August 31. Any paper forms or faxes postmarked after August 31 will not be accepted.
- The deadline for enrollment or re-enrolling in a Flexible Spending Account online or on paper is September 30.
- No changes in coverage or tobacco status can be made from a phone call.

No Open Enrollment changes can be made after these deadlines.

Effective Date of Coverage: All Open Enrollment elections approved by PEEHIP during the open enrollment period, will have an effective date of October 1.

Open Enrollment web page: PEEHIP created an Open Enrollment web page designed to make it easy for you to find all the information you need to make informed decisions about your health plan selections. You will find FAQs, tutorials, deadlines, Open Enrollment Packets and other pertinent information about Open Enrollment. Go to www.rsa-al.gov/PEEHIP/open-enroll.html to learn more.

If you do not wish to make changes to your PEEHIP coverage, you do not need to complete the Open Enrollment application or use the Member Online Services system. You will remain enrolled in the same or existing plan(s), and the appropriate premium will continue to be deducted.

Exception: Eligible members who want to enroll or renew their Flexible Spending Accounts or the Federal Poverty Level Premium Discount, must re-enroll each year. These two programs do not automatically renew each year without a new application. To re-enroll in the Flex plan, you can use the form in the back of this handbook or the preferred method is to use Member Online Services at www.rsa-al.gov. Retired members are not eligible to enroll in the Flexible Spending plans. To enroll or re-enroll in the FPL program, you must complete the appropriate application in the back of this packet.

Employees Hired After October 1
New employees hired after October 1 are required to serve a 270-day waiting period on pre-existing conditions unless proof of previous coverage is received and approved by PEEHIP. These employees can enroll only on their date of employment or the first day of the month following their date of employment.

New employees can add family coverage on their date of employment or within 60 days of employment. All enrollment forms or online enrollment must be completed within 30 days of member’s date of employment or the employee is only eligible to enroll in single Hospital Medical coverage effective the date the form is completed.

New employees will be required to pay their premiums at the time of enrollment and are required to enroll using the online system.

New employees enrolled in Optional Plans outside of Open Enrollment are required to retain the coverage(s) for at least one year or until the next Open Enrollment period.

Employees who are employed less than full-time and are enrolled in only Optional Plans cannot add the Hospital Medical Plan outside of the Open Enrollment period if they become full-time.
**Loss of Coverage**

**Involuntary Loss**

Employees whose spouse or other dependent has an involuntary loss of Hospital Medical coverage are allowed to add family coverage to their existing Hospital Medical plan within 45 days of the loss of coverage. The member must send documentation from the employer in which coverage was lost stating the reason for the loss of coverage. In addition, the letter must provide the employment and termination date as well as the date the insurance coverage ended.

Members and/or dependent(s) who are age 19 or older are required to serve a 270-day waiting period on pre-existing conditions unless proof of previous coverage is received and approved by PEEHIP. If PEEHIP is not notified within 45 days, the member and/or the dependent(s) are required to wait and enroll during Open Enrollment. Employees are only allowed to enroll in the Hospital Medical Plan when there has been a loss of coverage and must wait until Open Enrollment to enroll in the Optional Plans. The member cannot enroll in dental or vision coverage outside of Open Enrollment even if it was part of the plan in which they lost coverage.

Examples of involuntary loss situations:
- Layoffs
- Company discontinuing insurance coverage completely
- Company changing insurance carriers (not just a change in benefits and premiums) and no longer offering the previous carrier. This does not apply to a self-insured plan that is only changing insurance administrators.
- Spouse being fired
- Divorce

Examples of loss of Hospital Medical coverage that are **not considered** involuntary:
- Loss of coverage due to employment strike
- Voluntary resignation or voluntary change in employment
- Change in benefits or premiums with the insurance plan

**Voluntary Loss**

The Health Insurance Portability and Accountability Act (HIPAA) does allow special enrollment periods when a member or dependent loses other Hospital Medical insurance coverage in certain cases. The employee has 45 days to request special enrollment when there has been a voluntary loss of other coverage. HIPAA is explained in more detail in the HIPAA section of this Member Handbook.

An employee is eligible to drop any of the Optional Plans when he or she enrolls in Hospital Medical coverage due to a loss of previous coverage if he or she has had the Optional Plan(s) for at least one year.

When enrolling in Hospital Medical coverage, the member must complete a New Enrollment and Status Change form and attach a letter from the employer through which coverage was lost stating the reason for the loss of coverage. In addition, the letter must provide the employment and termination date as well as the date the insurance coverage ended.

If loss of coverage is due to divorce, the member must indicate this on the form and give the exact date of divorce. If adding family coverage, the member must complete a New Enrollment and Status Change form and provide the necessary information on dependents. The member is eligible to enroll in only the Hospital Medical Plan under HIPAA and must wait until Open Enrollment to enroll in the Optional Plans.

The member cannot enroll in dental or vision coverage outside of Open Enrollment even if it was part of the plan in which they lost coverage outside of the Open Enrollment period.
Qualifying Life Events

Coverage for new dependents can be added through the online system for the following four Qualifying Life Events (QLE) (for an effective date of the date of the event or the 1st of the month following the date of the event):

♦ Adoption of a child
♦ Birth of a child
♦ Legal custody of a child
♦ Marriage of a subscriber

Changes must be submitted within 45 days of the QLE.

Go to www.rsa-al.gov, click Member Online Services, then click the QLE link after logging in. Members can also use the online system to report a divorce. To Remove An Ex-Spouse From Coverage Effective the 1st Day of the Month Following the Divorce:

♦ Click the “View/Change Contact Information” link once you have logged in to Member Online Services. Select the “Update my marital status” option, select “divorce” from the drop box, and then provide the date the divorce was final. This is generally the date the judge signed the Final Order of the Divorce Decree. Be sure to get a Confirmation page to ensure this change was saved and submitted to PEEHIP. This will remove the ex-spouse from your coverage.

♦ If you do not have access to a computer, you must notify PEEHIP of your divorce by completing and mailing or faxing a paper New Enrollment and Status Change form to PEEHIP.

♦ Ex-spouses and ex-stepchildren are not eligible dependents even if a member continues to pay for family coverage and regardless of what the divorce decree states. The ex-spouse and ex-stepchildren must be deleted from coverage effective the first day of the month following the date of divorce. The member will be responsible for an ex-spouse’s and ex-stepchildren’s claims when they are not removed from coverage.

Cancelling or Changing Coverage Outside of Open Enrollment - Active Member

On October 1, 2005, all active members began paying their premiums using pre-tax dollars. Therefore, active members must have an IRS qualifying event before they can be allowed to cancel their Hospital Medical Plan, change their coverage, or drop/add dependents outside of the Open Enrollment period. Also, the request to cancel or change coverage must be within 45 days of the IRS qualifying event.

Examples of IRS qualifying events are:

♦ Adoption of child
♦ Birth of a child
♦ Death of a spouse or dependent
♦ Dependent loss of coverage
♦ Divorce or annulment
♦ Legal custody of child
♦ Marriage
♦ Marriage of dependent child
♦ Termination of spouse employment and loss of insurance coverage
♦ Commencement of spouse employment
♦ Medicaid and Medicare entitlement
♦ FMLA/LOA

Appropriate documentation must be received and approved before the change can be made.

A member is not eligible to drop the medical plan when they change from full-time to part-time status.

If all dependents on the policy are ineligible, the coverage will automatically change to an individual plan effective the first of the month following the cancellation of the last remaining dependent. When a policy is cancelled, the coverage remains in effect through the last day of the month. Policies cannot be cancelled in the middle of a month.

Non-Participating Hospitals and Outpatient Facilities

♦ Currently there are no non-participating inpatient or outpatient facilities in Alabama. However, when choosing a hospital or outpatient facility located outside Alabama, you may want to consider checking with the facility first to determine if they are a Blue Cross and Blue Shield participating provider.

With your health plan benefits, you have the freedom to choose your health care provider.

♦ To maximize your coverage and minimize your out-of-pocket expenses, you should
always use network providers for services covered by your health plan. **Your out-of-pocket expenses will be significantly higher in a non-participating hospital or facility.** When you choose a network provider, you don’t have to worry about extra out-of-pocket expenses.

### Out-of-Country Coverage
- If you receive medical treatment outside of the United States and the services are medically necessary, PEEHIP will pay primary under the major medical benefits. All PEEHIP deductible and coinsurance amounts and contract limitations will apply. The claims must be stated in U.S. dollars and filed with Blue Cross of Alabama.

### Pharmacy Program (Administered by MedImpact)

The drug must be on the approved maintenance list and must be prescribed as a maintenance drug. First fill for a maintenance drug will be a 30-day supply.

- The PEEHIP prescription drug plan includes Step Therapy, prior authorization, and quantity level limitations for certain medications.

### Non-Participating Pharmacy
- Coverage at a non-participating pharmacy in or outside Alabama: If you use a non-participating pharmacy, you will pay the full amount of the prescription. Then you can submit a claim form to be reimbursed at the Participating Pharmacy rate. All PEEHIP copays and clinical utilization management programs will apply. Your out-of-pocket expenses will be higher if you use a non-participating pharmacy.

### Excluded Services
- Coverage is not provided for nursing home costs, vision and dental care (except accidental injuries), cosmetic surgery, hearing aids and experimental procedures.

### PEEHIP Medicare Plus
(Coverage for Medicare-Eligible Retirees)

This plan is a supplement to hospital and medical benefits provided under Medicare Parts A and B and is available to Medicare-eligible retirees. This coverage is similar in nature to C-Plus and other Medicare supplemental insurance plans. It provides hospital and non-hospital benefits as outlined below. This plan does not provide benefits for custodial care such as help in walking, eating, bathing and dressing.

**Members must have Medicare Part A and Part B, and Medicare must be your primary payer for claims.** Medicare-eligible members and dependents should not enroll in a separate Medicare Part D program if they are also enrolled in the PEEHIP Medicare Plus Coverage. Beginning January 1, 2013, all Medicare-eligible retired members and Medicare-eligible dependents on a retired contract who were enrolled in the PEEHIP Hospital Medical plan were moved into the Medicare GenerationRx Medicare Part D program offered by PEEHIP unless they were already enrolled in a separate Medicare Part D plan or they choose not to participate.
♦ There are no pharmacy benefits for retired Medicare members if the retired member or spouse is enrolled in a separate Medicare Part D drug plan.

copays and clinical utilization management programs will apply. Your out-of-pocket expenses will be higher if you use a non-participating pharmacy.

Out-of-State Coverage

♦ When you receive medical treatment outside Alabama, Medicare of that state is responsible for the payment of the claim. When you receive the Explanation of Medicare Benefits statement from that state, you must send Blue Cross a copy of the statement attached to a completed claim form in order for Blue Cross to consider the charges for payment. Always list your identification number on the claim form. Claim forms can be found on the PEEHIP website at www.rsa-al.gov.

Out-of-Country Coverage

♦ If you receive medical treatment outside the United States, Medicare may not make payment. In this situation, if the services are medically necessary, PEEHIP will pay primary under the major medical benefits. All PEEHIP deductible and coinsurance amounts and contract limitations will apply. The claims must be stated in U.S. dollars and filed with Blue Cross of Alabama.

Non-Participating Hospitals and Outpatient Facilities

Excluded Services

♦ Coverage is not provided for nursing home costs, charges in excess of Medicare allowed charges, vision and dental care (except accidental injuries), cosmetic surgery, hearing aids, and experimental procedures.

♦ Medicare Part B covered medications are excluded from primary coverage under the PEEHIP prescription drug benefit but will be covered under the Medicare Part B benefit. PEEHIP will pay secondary to Medicare.

Step Therapy Program

The PEEHIP prescription drug program includes Step Therapy for certain medications. The Step Therapy program was implemented to keep PEEHIP sound and to keep premiums and copayments at a reasonable and affordable level. The Step Therapy program applies to “new” prescriptions that have not been purchased in over 130 days. A prescription is considered “new” if the member or covered dependent has not filed and processed the prescription claim through PEEHIP in over 130 days.

Step Therapy is a program especially for people who take prescription drugs regularly to treat ongoing medical conditions such as arthritis/pain, heartburn, diabetes, high blood pressure, etc. It is designed to:

♦ Provide safe and effective treatments for your good health.

♦ Make prescriptions more affordable.

♦ Enable PEEHIP to continue to provide affordable prescription coverage while controlling rising costs.

Step Therapy is organized in a series of “steps” with your doctor approving your medication every step of the way. It is developed under the guidance and direction of independent, licensed doctors, pharmacists, and other medical experts. Together with MedImpact, Inc., they review the most current research on thousands of drugs tested and approved by the U.S. Food and Drug Administration (FDA) for safety and effectiveness.
How does Step Therapy work?

First Step: Generic drugs are usually in the first step. These drugs are commonly prescribed, less expensive treatments that are safe and effective in treating many medical conditions. Your copayment is usually the lowest with a first-step drug. It will be necessary for you to use the first-step drugs before the plan will pay for second-step drugs.

Second Step: If your treatment path requires more medications, then the program moves you along to this step, which generally includes brand-name drugs. Brand-name drugs are usually more expensive than generics, so most have a higher copayment.

When a prescription for a second-step drug is processed at your pharmacy for the first time, your pharmacist will receive a message indicating the PEEHIP plan uses Step Therapy. If you would rather not pay full price for your prescription drug, your doctor needs to give you a prescription for a first-step drug. Only your doctor can change your current prescription to a first-step drug covered by your program. To receive a first-step drug: Ask your pharmacist to call your doctor and request a new prescription or contact your doctor to get a new prescription.

With Step Therapy, more expensive, brand-name drugs are usually covered in a later step in the program if you have already tried the first-step drug. If your doctor decides you need a different drug for medical reasons before you have tried a first-step drug, then your doctor can call MedImpact to request a “prior authorization.” If the second-step drug is approved, you will pay a higher copayment than for a first-step drug. If the drug is not approved, you will need to pay the full price for the drug. You can appeal the decision through the appeals process outlined in the Blue Cross PEEHIP handbook.

If you have medical reasons that prevent you from trying a first-step drug, your physician can contact MedImpact to request a prior authorization by calling 800.347.5841. For other questions about the Step Therapy program, contact MedImpact Customer Service at 877.606.0727.

Members who are new to PEEHIP or if a husband and wife switch from one PEEHIP contract to another, they may not be subject to the Step Therapy clinical programs. For these members to be grandfathered into the Step Therapy Program, they will need to provide documentation that they have been on the medication(s) 130 days prior to their enrollment date with PEEHIP.

This plan provides coverage for:
- One examination in any 12-month period (actual charges up to $40)
- One new prescription or replacement prescription for lenses per plan year (up to $50 for single vision, $75 for bifocals, $100 for trifocals, and $125 for Lenticular)
- One new prescription or replacement of contacts per plan year (up to $100 for contact lenses)
- One new or replacement set of frames per plan year (up to $60)
- Either glasses or contacts, but not both in any plan year
- Disposable contact lenses
- Vision benefits under this plan will always be paid secondary to other vision plans.

Southland will provide at no cost its Vision Choice plan to all PEEHIP members who participate in any of the Optional Plans.

Members and dependents are legally required to notify PEEHIP of other coverage. Also, employers must inform PEEHIP when other insurance coverage of any kind is provided to employees by their system.

Claims incurred and filed on the PEEHIP dental and vision plans administered by Southland Benefit Solutions are always paid secondary to other dental and vision plans.

Non-Duplication of Benefits
All PEEHIP members and covered dependents who use their PEEHIP Hospital Medical Plan as their secondary plan will still be required to pay any copays or deductibles imposed by PEEHIP. PEEHIP will cover the portion of the health plan deductibles and copays that exceed the PEEHIP copays.

PEEHIP Supplemental Coverage Plan
PEEHIP members may opt to elect the PEEHIP Supplemental Plan as their Hospital Medical coverage in lieu of the PEEHIP Hospital Medical Plan. The PEEHIP Supplemental Plan will provide secondary benefits to the member’s primary plan provided by another employer. Only active and non-Medicare retiree members and dependents are eligible for the PEEHIP Supplemental Plan. There is no premium required for this plan, and the plan covers most out-of-pocket expenses not covered by the primary plan.

The PEEHIP Supplemental Plan imposes the same exclusions and limitations that are in the PEEHIP primary Hospital Medical Plan. Additionally, the PEEHIP Supplemental Plan does not pick up services excluded by the other group plan. Blue Cross and Blue Shield of Alabama is the administrator for the PEEHIP Supplemental Plan. The PEEHIP Supplemental Plan cannot be used as a supplement to Medicare, the PEEHIP Hospital Medical Plan, or the State or Local Governmental Plans administered by the State Employees’ Insurance Board (SEIB). In addition, active members who have TriCare or Champus as their primary coverage cannot enroll in the PEEHIP Supplemental Plan.

Coordination of Benefits
If an employee or covered dependent is enrolled in the dental and/or vision plans provided by PEEHIP and is also entitled to any other dental or vision coverage, the total amount that is payable under all plans will not be more than 100% of the covered expenses. In addition, PEEHIP will coordinate benefits with other dental and vision coverages. A member must correctly complete the Other Health Insurance Coverage Information section online through Member Online Services or on the New Enrollment and Status Change form, and update PEEHIP when changes are made. PEEHIP dental and vision benefits will be secondary to all other dental coverages for the subscriber.
The supplemental Hospital Medical Plan:
♦ Provides secondary coverage to the members and covered dependent(s) when primary coverage is provided by another employer.
♦ Only active and non-Medicare-eligible retiree members and dependents are eligible to enroll in the Supplemental Plan.
♦ There is no premium cost for the plan when the member uses the state allocation for the Supplemental Plan.
♦ The Supplemental Plan covers most deductibles, copayments, and coinsurance not covered by the primary plan.
♦ Participants may elect individual or family coverage.
♦ PEEHIP Hospital Medical Plan exclusions and limitations will continue to be imposed such as exclusions for dental coverage, cosmetic surgery, limitation on infertility treatment, etc.
♦ The Supplemental Plan will not cover or pick up any cost of services excluded by the primary plan because the plan is strictly a supplemental plan.
♦ The Supplemental Plan cannot be used as a supplement to Medicare, the PEEHIP Hospital Medical Plan, or the State or Local Governmental plans administered by the State Employees’ Insurance Board (SEIB).
♦ The Supplemental Plan only supplements your primary insurance plan by covering the copay, deductible and/or coinsurance of your primary insurance plan or the preferred or participating allowance, whichever is less.
♦ To be eligible for reimbursement under the PEEHIP Supplemental Coverage Plan, the primary insurance plan must have either 1) applied the eligible charges to the deductible, or 2) made primary payment for the services rendered.
♦ For inpatient mental health and substance abuse services, there is a maximum allowance of 30 total days per member per plan year.
♦ For outpatient mental health and substance abuse services, there is a maximum allowance of 10 visits per member per plan year.

♦ The PEEHIP Supplemental Coverage Plan will not pay for amounts in excess of the allowed amount for services rendered by a non-preferred provider, amounts in excess of the maximums provided under the primary insurance plan, any services denied by the primary insurance plan, or any penalties or sanctions imposed by the primary insurance plan.
♦ PEEHIP members cannot be enrolled in the PEEHIP Hospital Medical Plan and the PEEHIP Supplemental Plan.
♦ Active members who have TriCare or Champus as their primary insurance coverage cannot enroll in the PEEHIP Supplemental Plan.

**Retiree Other Employer Group Health Insurance Coverage**

Legislation requires certain members who retired after September 30, 2005, to take other employer health insurance. PEEHIP members who (1) retired after September 30, 2005, (2) become employed by another employer and (3) the other employer provides at least 50% of the cost of single health insurance coverage, and (4) are eligible to receive the other employer group health insurance coverage, must use the other employer's health benefit plan for primary coverage.

PEEHIP retirees must drop the PEEHIP coverage as their primary coverage and enroll in the new health plan through their new employer. The retiree may enroll in the PEEHIP Supplemental Plan within 30 days of eligibility for other group health insurance coverage. Failure by a retiree to enroll in the other employer’s group health plan under the terms of the Act will result in the termination of coverage in PEEHIP and claims will be recalled back to the date the retiree was eligible for the other employer’s group health plan.

**IMPORTANT:** Retired members who retired on or after October 1, 2005, and are ineligible for the PEEHIP coverage cannot be covered as a dependent on their spouse’s PEEHIP coverage.

**ALL Kids Children’s Health Insurance Program (CHIP)**

The Federal Health Care Reform legislation allows public education employees to participate in the ALL Kids CHIP program administered by the Alabama Department of Public Health (ADPH). Therefore, PEEHIP does not offer a CHIP program.

**Flexible Spending Accounts**
*(Administered by Blue Cross and Blue Shield of Alabama)*

We are all looking for ways to increase our spendable income and participating in PEEHIP’s Flexible Spending Account program is one way that really works! You save money by not paying taxes on the contribution amount you elect. The PEEHIP Flexible Spending Accounts program is available to all active members of PEEHIP and is also a great way to offset the costs of your out-of-pocket copayments and deductibles. Retired members are not eligible to participate in any of the Flexible Spending Accounts. PEEHIP offers a Flex Debit Card that can be used as a reimbursement option with the Health Care
Spending Account, and there is no additional charge for members to use this debit card.

The PEEHIP Flexible Spending Accounts consist of the following three programs:

1. **Premium Conversion Plan** requires all active members to pay premiums for PEEHIP using pre-tax dollars. This plan is strictly a function of the payroll system in which the member no longer has to pay federal and state of Alabama income taxes on their health insurance premium.

2. **Dependent Care Flexible Spending Account** allows eligible active members the opportunity to pay dependent care expenses using pre-tax dollars.

3. **Health Care Flexible Spending Account** allows eligible employees to set aside tax-free money in an account to pay themselves back for eligible health care expenses incurred by them and their dependents.

The Open Enrollment deadline for the Flexible Spending Accounts is September 30, 2013, for an effective date of October 1, 2013. Members who are currently enrolled in a Flexible Spending Account through their employer are allowed to enroll in the PEEHIP spending accounts at the end of their employer’s plan year. To continue the Flex Plan, members currently enrolled in the PEEHIP Flexible Spending Accounts must re-enroll every year. These programs do not automatically renew each year.

To enroll in the Flexible Spending Accounts, members can easily enroll in the Flexible Spending Accounts by using the Member Online Services system at [www.rsa-al.gov](http://www.rsa-al.gov). Members can also complete the FLEXIBLE SPENDING ACCOUNT ENROLLMENT APPLICATION located in the back of this packet and return the form to the PEEHIP office prior to October 1, 2013. More information is available at [www.bcbsal.org/peehip1/preferredBlue/index.cfm](http://www.bcbsal.org/peehip1/preferredBlue/index.cfm) and at [www.rsa-al.gov/peehip/flex.html](http://www.rsa-al.gov/peehip/flex.html).

Listed below are some of the eligible expenses that can be paid from your Flexible Benefits Account:

**Health Care Flexible Spending Account:**
- Prescription drug co-pays
- Physician co-pays
- Vision care including Lasik and Prelex surgery
- Hearing care
- Deductibles
- Orthodontia
- Coinsurance
- OTC medications are eligible expenses only with a prescription.

**Dependent Care Flexible Spending Account:**
- Licensed nursery school and day care facilities for children
- Child care in or outside your home
- Day care for an elderly or disabled dependent

To determine how much per year you want to contribute to your Flexible Spending Account(s), you should assess what your expenses were the year before and determine if these expenses will occur again and then add in any new expenses including the increase in copayments and deductibles. Your annual contributions must be whole dollars. The maximum annual amount for the Dependent Care Account is $5,000 if single or married filing a joint return or $2,500 if married filing a separate return; and **$2,500 for the Health Care Account**. The funds are deducted from your pay before taxes are withheld and deposited into your account.

If your medical and/or dental insurance is with any PEEHIP medical or optional plan, your out-of-pocket expenses for medical and/or dental services will automatically apply to your Flexible Spending Account. This saves you time and you get reimbursed quicker because you don’t have to submit a claim form for reimbursement! If you have medical, dental or secondary coverage with another insurance plan, you will need to file a REQUEST FOR REIMBURSEMENT form with appropriate documentation and provide
documentation of what the other carrier paid. You can also use the “Alabama Blue” mobile app on your smart phone to submit your reimbursement.

The out-of-pocket money is reimbursed to you from your account. You may even elect to have it deposited directly into your checking or savings account. Amounts unused and unspent in the Health Care Flexible Spending Account as of September 30 can be used to pay for out-of-pocket medical expenses incurred during the 2½ month grace period ending December 15. Expenses for both the Health Care Flexible Spending Account and Dependent Care Flexible Spending Account can be submitted to Blue Cross by January 15 following the end of the plan year. If you do not use the money in your account from the previous plan year by the end of the grace period, you will lose it.

If you terminate employment or retire before the end of the plan year, your Flexible Spending Accounts will terminate the first day of the following month.

When a member retires or terminates employment before the end of the plan year, the member must use or incur the money in his or her Flex account by the Flex termination date. For example, if a member retires June 1, and the Flex account terminates September 1, the member must incur the covered expenses by September 1. Claims must be filed within 105 days from the end of the plan year.
**Federal Poverty Level Assistance Program (FPL)**

PEEHIP provides premium assistance to PEEHIP members with a combined family income of less than or equal to 300% of the Federal Poverty Level (FPL) as defined by federal law. To qualify for FPL assistance, PEEHIP members must furnish acceptable proof of total income based on their most recently filed Federal Income Tax Return. Certification of income level will be effective for the plan year only. Re-certification will be required annually during Open Enrollment. The premium reduction does not automatically renew each year. The premium reduction will apply only to the Hospital Medical premium or HMO premium and only applies to active and retired members. The FPL premium discount is not available to members who are on a Leave of Absence, COBRA, or surviving dependent contract.

Premium Rates

Insurance premiums and enrollments are handled by PEEHIP, not by the employer. PEEHIP determines and manages the premium deductions; therefore, active and retired members are required to send all insurance changes to PEEHIP.

Prior to the payroll cutoff date, PEEHIP sends an electronic file to each employer authorizing the payroll deductions for each employer. The payroll deduction amount is based on the insurance plan(s) each member selects. If the payroll deduction is incorrect, members need to contact PEEHIP instead of their employer. It is imperative for PEEHIP to have your correct home mailing address so all members can receive important PEEHIP information.

Payment of Premiums

♦ PEEHIP premiums for health insurance and optional plans are deducted in the month prior to the month of coverage for active and retired members (i.e. the premium for October’s insurance coverage is deducted in September).
♦ Flexible spending account contributions are deducted in the current month and are based upon twelve month deduction cycles (i.e. the contribution for October is deducted in October).
♦ Those who do not receive a check large enough to cover the amount of their total premium shall submit their monthly premium payment directly to PEEHIP (i.e. new employees who have not begun receiving a paycheck; those covered under COBRA; members on Leave of Absence; etc.).
♦ Failure to pay premiums timely will result in cancellation of coverage.
♦ New employees and members changing to family coverage outside of Open Enrollment will be required to pay their premiums at the time of enrollment.

Non-tobacco User Discount

All PEEHIP members enrolled in the PEEHIP Hospital Medical or VIVA Health Plan are charged a $28 per month PEEHIP premium increase. However, non-tobacco users can have the $28 premium removed from their monthly premium by certifying that they (and their spouse, if the spouse is covered as a dependent) have not used tobacco products within the last 12 months. Members must certify their tobacco status to PEEHIP to qualify for the $28 to be removed from their monthly premium.

If you have previously certified your tobacco status and your spouse’s tobacco status (if you have family coverage), you do not need to re-certify every year. You are only required to complete a New Enrollment AND Status Change form if your or your spouse’s tobacco status changes during the year.

If it is unreasonably difficult due to a medical condition for you or your dependents to achieve the standard for receiving the discount, or if it is medically inadvisable for you or your dependents to attempt to achieve the standards for the discount, contact PEEHIP for more information relating to possible alternative methods of qualification. The tobacco premium only applies to the PEEHIP Hospital Medical Plan or Viva Health Plan and not the PEEHIP Optional Plans or the PEEHIP Supplemental Plan.

New employees who enroll in the Hospital Medical or VIVA Health Plan must certify their tobacco status (and their spouse’s tobacco status if covered as a dependent) by answering the tobacco questions through the Member Online system at the time of enrollment.
PEEHIP Premium Rates 2013 – 2014 Plan Year

The primary source of funding for PEEHIP comes from the Legislature’s annual appropriation. **For fiscal year 2014, PEEHIP will receive level funding of $714 for the third fiscal year in a row.** This amount must provide insurance coverage to roughly 300,000 active and retired members and their covered dependents.

The health insurance premiums set by the PEEHIP Board are another source of funding for the insurance program. The following monthly premiums are effective October 1, 2013 - September 30, 2014. **These rates do not include the $28 monthly tobacco premium.**

Retired Members

The monthly premiums listed in the chart below show a retiree’s out-of-pocket cost after subtracting the retiree allocation. These rates apply only to members who retired prior to October 1, 2005, or members who retired on or after October 1, 2005, and before January 1, 2012, with 25 years of service. All members who retired on or after October 1, 2005, are subject to the Retiree Sliding Scale premium based on years of service. Members who retired on or after January 1, 2012, are subject to the sliding scale premiums which are based on age at retirement, years of service, and the cost of the insurance program. These retirees will experience a rate adjustment effective October 1, 2013. The sliding scale premium rates can be found on the PEEHIP website at www.rsa-al.gov. *This rate applies to the PEEHIP Hospital Medical or the VIVA Health Plan and is the monthly amount that will be deducted from a retiree’s check. The VIVA Health Plan is not available to retired members who are Medicare-eligible or retired members with dependents who are Medicare-eligible.

Retiree Sliding Scale Premium

Members who retired after September 30, 2005, are subject to a sliding scale premium, based on years of service. The premium for retiree coverage is broken down into the employer share (what PEEHIP pays) and the retiree share. Under the sliding scale, the retiree is still responsible for the retiree share; however, the employer share will increase or decrease based upon a retiree’s years of service.

For members retiring after September 30, 2005, with 25 years of service, PEEHIP pays 100% of the employer share of the premium. The member will only be responsible for the employee share of the premium. For members who retire prior to January 1, 2012, and have less than 25 years of services, the PEEHIP share of the premium is reduced by 2% of the cost for each year less than 25 and the retiree share is increased accordingly. For all members retiring after September 30, 2005, for each year of service above 25, the employer (PEEHIP) share increases by 2% and the retiree share is reduced accordingly. PEEHIP members who retire on disability but are also eligible for service retirement are subject to the sliding scale for PEEHIP premiums.
All members who retired before October 1, 2005, are not affected by the Retiree Sliding Scale Premium. A chart illustrating the sliding scale premiums can be found on the RSA website at www.rsa-al.gov. Click on PEEHIP, then Premiums, and then Retiree Sliding Scale Premium Rates.

The retiree sliding scale premium will not apply to disability retirements for twenty-four (24) months from the member’s date of retirement, provided the member submits to PEEHIP proof of application for Social Security Disability benefits. The exemption from the sliding scale premium can be extended beyond twenty-four (24) months from the member’s date of retirement if the member qualifies for Social Security Disability benefits during the twenty-four (24) months following the member’s date of retirement and proof of the Social Security Disability is provided to PEEHIP.

For those qualifying, the premium adjustment will be made effective the first day of the second month following receipt of the Social Security notification by PEEHIP. Therefore, it is important to send in your proof of application for Social Security disability and your subsequent approval for Social Security disability as soon as you receive it in order to receive a premium reduction.

Legislation Effective January 1, 2012

On June 14, 2011, Senate Bill 319 (Act 2011-704) was signed into law. The law was enacted primarily to address the inequity in the funding of health care benefits for non-Medicare retirees and only applies to employees who retired on or after January 1, 2012.

The law changed the retiree sliding scale premium calculation so that by 2016 the funding level for active and non-Medicare would be equal, thereby removing the inequity in funding that currently exists for non-Medicare retirees.

The major provisions of Act 2011-704 are summarized below. A calculator is available for your review on our website at www.rsa-al.gov.

Changes to the Retiree Sliding Scale Premium Calculation

It is important to note that the changes in the retiree sliding scale premium calculation only apply to those who retired on or after January 1, 2012.

The law has the greatest effect on employees who retire with minimal years of service (for example, someone with 10 years of service at age 60). The effect on employees who retire with 25 or more years of service is less dramatic.

A retiree’s cost of coverage is equal to the employer’s contribution (state funding amount) plus the employee’s contribution (premium). Under the sliding scale premium calculation, the employer contribution is adjusted up or down by a percentage based on years of service. If the employer contribution is reduced then the employee contribution (premium) will be increased and vice versa.

Under the law there are three major changes to the retiree sliding scale premium. These changes are related to a retiree’s years of service (Service Premium Component) and age at the time of retirement (Age Component) and subsidy premium (Subsidy Component).

1. Change in the Service Premium Component:

◊ Employees who retired before January 1, 2012 - the amount the state contributes to the cost of retiree health care (employer contribution) is decreased by 2% for each year of service less than 25 and increased by 2% for each year of service more than 25.

◊ Employees who retired on or after January 1, 2012 - the amount the state contributes to the cost of retiree health care (employer contribution) is decreased by 4% for each year of service less than 25 and increased by 2% for each year of service more than 25 (Service Premium Component).

Employees who retired on or after January 1, 2012, (regardless of age) and have less than 25 years of service will have 4% (instead of 2%)
deducted from the employer contribution of the sliding scale premium calculation for each year under 25 years.

**Example:**
If you retire with 10 years of service, you are 15 years away from having 25 years of service and the employer contribution will be reduced by 60% (15 years x 4%). The employee contribution (or premium) will increase by an amount equal to 60% of the employer contribution.

Employees who have 25 or more years of service will see no change in the service component of the sliding scale premium. Employees will continue to receive a 2% bonus for every year of service over 25 years.

### 2. Addition of an Age Premium Component:
- Employees who retired before January 1, 2012 - there is no age component that is taken into account in the sliding scale premium.
- Employees who retired on or after January 1, 2012 - state contribution for the sliding scale premium will be reduced by 1% for each year of age of the employee at retirement less than the Medicare entitlement age (age component). Upon Medicare entitlement, the age component will be removed.

This component applies only to employees who retired without Medicare on or after January 1, 2012. These retirees will have 1% deducted from the employer contribution for each year that they are not entitled to Medicare. Age at retirement is what is used to calculate the age premium component.

**Example:**
If you retire at age 60 (regardless of years of service), you are 5 years away from Medicare entitlement and will have 5% deducted from the employer contribution. The employee contribution (or premium) will increase by an amount equal to 5% of the employer contribution. This deduction will cease upon notification to PEEHIP of Medicare entitlement.

### 3. Addition of a Subsidy Premium Component:
- Employees who retired before January 1, 2012 - subsidy component is not applicable.
- Employees who retired on or after January 1, 2012 - a subsidy premium is applicable. The subsidy premium is the net difference in the active employee’s subsidy and the non-Medicare retiree subsidy. For Fiscal Year 2013, the subsidy component is $117.14. Upon Medicare entitlement, the subsidy will be removed.

**Note:** The total of the additional service premium, age premium, and subsidy premium resulting from the new law will be phased-in over a 5-year period until 2016. Upon becoming Medicare-eligible, the age and subsidy premium components are no longer applicable.

**Act 2011-704 and DROP**
The new sliding scale premium will not apply to employees who were participating in the Deferred Retirement Option Plan (DROP) at the time the law was passed unless the DROP participant:

1. Voluntarily terminates participation in the DROP within the first three years, or
2. Does not withdraw from service at the end of the DROP participation period.

This will exempt employees who entered the DROP from being subject to the new legislation if they fulfill their DROP obligation and withdraw from service at the end of the DROP participation period.

**Act 2011-704 Increases Assistance to Low Income Families**
Act 2011-704 also increased the income range of employees and retirees eligible for a premium discount from 200% to 300% of the Federal Poverty Level (FPL). This will keep the premiums more affordable for employees and retirees whose family income falls within 300% of FPL. Information regarding this program is available on our website.

Updating Information

Name and Social Security Number Changes

Currently, PEEHIP determines a member’s name for insurance purposes from the TRS FORM 100 ENROLLMENT form, or the NEW ENROLLMENT AND STATUS CHANGE form. In the near future, PEEHIP will be updating names from information received from the Social Security office. Therefore, the name on all insurance and TRS forms must be the same as the name on the Social Security card.

PEEHIP requires a copy of the member’s Social Security card before a name or Social Security number change can be made. Also, active employees must provide a correct Social Security card to their employer to correct their TRS and PEEHIP accounts.

Address Changes

To change an address, you must notify PEEHIP in writing or the preferred method to update your address is to use the secure online process. To change your address online, go to the RSA website at www.rsa-al.gov and make an address change. Select the Member Online Services option on the left side of the home page and follow the instructions. This address change will automatically transmit to the insurance carriers and also update your address with the Teachers’ Retirement System and RSA-1 if you are a participant in those accounts. However, the address change you make through the RSA online system will not change your address with your employer. You must contact your employer to have your address changed in their system.

Alternatively, you can change your address in writing by completing an ADDRESS CHANGE NOTIFICATION form which can be downloaded from the RSA website. PEEHIP will also accept a letter with the old address, new address, insured’s name and Social Security number.

The PEEHIP department cannot accept an address change by phone or email. All address changes should be made online or on the address change cards provided by the U.S. Postal Service or the ADDRESS CHANGE NOTIFICATION form provided by the RSA. The card must then be mailed to PEEHIP for the actual change to occur.
**Allocations**

An active member receives the state insurance allocation for each month the member is in pay status at least one-half of the working days of that month.

Allocations are earned in the actual month worked.

**Example:**

An employee who works October 1 through November 8 earns the October allocation but not the November allocation.

An employee may get paid for a portion of a month but may not earn the allocation for that month if he or she is not in pay status at least one-half of the workdays of that month.

To be eligible for a full allocation, a teacher, counselor, librarian, administrative employee or other professional employee must be employed full-time. A support worker, such as janitorial staff employee, custodian, maintenance worker, lunch room worker, or teacher aide, must be employed at least twenty (20) hours per week (excluding bus drivers who are full-time by law) to receive a full allocation. Permanent part-time employees who meet the qualifications will be entitled to a pro rata allocation.

### Leave

A member can use his or her accrued or donated sick leave in order to be in pay status to receive the state allocation. However, sick leave, annual leave, or catastrophic leave cannot be manipulated in such a way that a member receives the allocation inappropriately. **A member must use his or her accrued sick leave, annual leave or catastrophic leave continuously and consecutively when not actively employed.**

### 3-1 Rule

A member earns one month of an additional insurance allocation for every three months the employee is in pay status at least one-half of the workdays in the month for that school year. The 3-1 Rule only applies when an employee has terminated employment, retires, is not in pay status at least one-half of the work days in the month, goes on an approved leave of absence without pay, or begins employment in the middle of the year.

The 3-1 Rule is applied using a September through September year.

- Extra allocations earned by a member must be applied to insurance premiums immediately after the member is separated from employment.
- The member cannot pick and choose the months to use the allocation.
- An employee must be in pay status at least one-half of the available workdays for three full months to earn an extra one month of an insurance allocation.
- An employee can only use the earned allocation credit for the current fiscal year, i.e., the allocation credit cannot be used after September 30.
- The 3-1 Rule is handled in the same manner for all employees regardless of whether they are paid on a 9-, 10-, 11- or 12-month basis.
- If a terminated employee is hired back before he or she has exhausted their extra allocations, the employee will not have a lapse in coverage and the same insurance plans will automatically get reinstated. These employees are treated as existing not new employees and will not be allowed to pick up or drop coverage except during the Open Enrollment period.
- Employees who terminate employment and have a break in coverage can enroll as new employees the day they return to work, the first day of the month after they return to work, or October 1. PEEHIP must receive a new **Health Insurance and Optional Enrollment Application** before the member can be enrolled. The employee and his eligible dependents will be required to serve a 270-day waiting period on all pre-existing conditions with the Hospital Medical coverage if proof of previous coverage is not received and approved by PEEHIP.

The table below should be used when calculating the number of months an employee is entitled to receive the insurance allocation:

### Terminated Employee

The school system is not required to pay the September allocation for an employee terminating the end of May when the employee has worked September through May. These employees have earned the insurance allocation through August and should not be given credit for the September insurance allocation.
Additional Information about Insurance Allocations

An allocation for the month will be due if a member is hired on the first day of the month. An allocation can be used for the month of September. Example: An employee has been in hire status for 9 consecutive months and terminates employment after June 16. The member will have an allocation to burn for July, August, and September.

A full August allocation is due if the member has had continuous coverage through the summer. A member who has paid a LOA rate or COBRA for July and returns to work after August 1 but prior to August 15 is entitled to a full August allocation.

Insurance is deducted one month in advance. An enrollment request for insurance to begin the first date of hire should be accompanied with a personal check.

Family Medical Leave Act (FMLA)

The 3-1 Rule applies even when a member is granted leave under the Family Medical Leave Act. If the employee earns additional allocations under the 3-1 Rule prior to going on leave under FMLA, the extra allocations are applied to the months following said leave.

Military Leave

If an employee is on military leave status, the employee earns credit for the insurance allocation which is paid by the PEEHIP Plan. The employer will not be charged for the insurance allocation when a member is on military leave status in the Employer Online Services.

Death

Extra insurance allocations earned under the 3-1 Rule can only be used by the employee and cannot be used by the employee’s family in the event of the employee’s death. If a husband and wife are combining allocations and one member dies, the living spouse cannot use the deceased member’s extra allocation earned.

Retiring Members

Retiring members are eligible to receive the extra allocations earned under the 3-1 Rule.

Example:

♦ A June 1 retiree who works 9 months during the school year earns extra allocations through August 31.
♦ A July 1 retiree who works the entire school year earns extra allocations through September 30.

The school system is required to provide the appropriate insurance allocation earned under the 3-1 Rule. PEEHIP assumes that the system will not pay the September allocation for June 1 retirees in most cases. June 1 retirees should continue to receive the active allocation through August.

The 3-1 Rule is handled in the same manner for retirees as for active employees regardless of whether they are paid on a 9-, 10-, 11- or 12-month basis.

Note: If a member and/or spouse is Medicare-eligible at the time of retirement, the date of retirement is the date when Medicare becomes primary, regardless of any extra allocations earned. Medicare-eligible members and/or dependents should have Medicare Part B on their retirement date.

Transferring School Systems

When an employee transfers from one participating system to another without a break in coverage, the new system will be responsible for paying the allocation the first full month of the employee’s contract and the earned summer allocations for the following year.

Active Employees Not Enrolled in Coverage

Section 16-25A-9, Code of Alabama, 1975, requires the insurance allocation amount must be paid for all employees eligible for insurance even if no coverage is elected.
**Example:**
A new employee begins work August 23 and does not enroll in coverage until October 1.

PEEHIP would not require the system to pay the pro rata allocation for August if the employee does not elect coverage on his date of employment; **however, PEEHIP would require the insurance allocation amount for the full month of September.**

Members who are not enrolled in any insurance coverage are allowed to enroll in single medical coverage effective on the date of notification. Those members will be required to serve a 270-day waiting period on pre-existing conditions unless proof of previous coverage is provided and approved.

Employers are not required to pay the pro rata insurance allocation for a new employee if the employee does not enroll in insurance coverage on his date of employment. However, Section 1625A-9, Code of Alabama, 1975 requires the insurance allocation to be paid for a full month of coverage even if the employee does not enroll in any coverage.

**Medicare**

If a member or dependent is already Medicare-eligible due to age or disability at the time of his or her retirement, Medicare will become the primary payer and PEEHIP the secondary payer **effective on the date of the member’s retirement.**

It is extremely important for the member and/or dependent to have Medicare Part A and Part B to assure adequate coverage with PEEHIP. The member will continue to earn the active allocation according to the 3-1 Rule, but Medicare will be the primary payer for claims beginning the date of retirement for Medicare-eligible members or dependents. If the member and only dependent are both eligible for Medicare, the reduced Medicare out-of-pocket cost will be deducted.

Medicare rules require a Medicare-eligible, active PEEHIP member covered by his or her spouse’s PEEHIP **retired** contract to have Medicare as the primary payer on the active PEEHIP member. In this scenario, the **active**, Medicare-eligible member must have Medicare Part A and Part B coverage.

If the active member does not want Medicare as his or her primary payer and does not want to enroll in Medicare Part B until retirement, he or she will have to enroll in a PEEHIP **active** contract and will not be able to remain on the contract with the retired PEEHIP-eligible spouse. Most of the time, in this situation, active members must wait and enroll in their own PEEHIP medical plan during the Open Enrollment period or on their spouse’s date of retirement. When the active Medicare-eligible member retires, he or she must enroll in Medicare Part B to have adequate coverage with PEEHIP. The effective date of Medicare Part B must be the date of retirement to avoid a lapse in coverage.

Medicare-eligible members and Medicare-eligible dependents should not enroll in a separate Medicare Part D program if they are also enrolled in the PEEHIP Medicare Plus Coverage. Beginning January 1, 2013, PEEHIP enrolled all retired Medicare-eligible members and Medicare-eligible dependents on retired contracts in the Medicare GenerationRx Medicare Part D program offered by PEEHIP unless they were already enrolled in a separate Medicare Part D plan or they chose not to participate.
Surviving Dependent Benefits

PEEHIP law allows covered surviving dependents to be able to continue the PEEHIP insurance plans that they are covered on at the time of the member’s death. The insurance plan(s) can be continued as long as the surviving dependents pay the monthly premium by the due date each month.

Survivor policies are as follows:
- New dependents who are not covered on the PEEHIP policies at the time of the member’s death cannot be added to the plan at a later date.
- Surviving dependents do not have Open Enrollment rights.
- Once the insurance is cancelled by a surviving dependent, no reinstatement is allowed, and coverage cannot be picked up at a later date.
- Surviving dependents cannot enroll in new PEEHIP plans that they were not covered on at the time of the member’s death.
- The eligible surviving dependent who wants to continue the PEEHIP coverage should notify PEEHIP as soon as possible from the member’s date of death to enroll in coverage and avoid a lapse in coverage.

PEEHIP law also requires surviving dependents to pay the full cost of the monthly premium without financial assistance from the state. The monthly premiums effective October 1, 2013, are as follows:

**Note:** If a member or dependent is under age 65 and eligible for Medicare coverage due to a disability, the PEEHIP office **must receive** a copy of the Medicare card before the premiums can be reduced. **Refunds will not be processed for retroactive premiums.** However, PEEHIP will pay secondary to Medicare once our office becomes aware of your Medicare eligibility regardless of whether our office has received your Medicare card. Medicare eligible members and dependents must have Medicare Part A **and** Part B to have adequate coverage with PEEHIP.
Provision for Medicare-Eligible Members

Active Employees

PEEHIP is required by the Age Discrimination in Employment Act, as amended by the Tax Equity and Fiscal Responsibility Act of 1982, to offer its active employees over age 65 coverage under its group health plan under the same condition as any employees under age 65. As a result of an accompanying amendment to the Social Security Act, Medicare is secondary to benefits payable under an employer-sponsored health insurance plan for employees over age 65 and their spouses over age 65. If the service is also covered by Medicare, the claim can be submitted to Medicare which may pay all or a portion of the unpaid balance of the claim subject to Medicare limitations.

As a result of these changes, PEEHIP does not provide an active member or his or her spouse with benefits which supplement Medicare. The member has the right to elect coverage under PEEHIP on the same basis as any other employee.

If an active employee chooses to be covered under PEEHIP, the plan will be the primary payer for those items and services covered by Medicare. (Note that Medicare covers hospitalization, post-hospital nursing home care, home health services.) This means that the plan will pay the covered claims and those of the active employee's Medicare-eligible spouse first, up to the limits contained in the plan, and Medicare may pay all or a portion of the unpaid balance of the claims, if any, subject to Medicare limitations. If the active employee's spouse is not eligible for Medicare, the plan will be the sole source of payment for the spouse's claims. Since PEEHIP also covers items and services not covered by Medicare, PEEHIP will be the sole source of payment of medical claims for these services.

Because of the cost of Medicare Part B, an active employee age 65 or older may decide to defer enrolling for Part B until he or she actually reaches retirement, at which point Medicare will become the primary payer and the retired member must enroll in Medicare Part B effective the date of retirement to have adequate coverage with PEEHIP. However, a member and his or her Medicare-eligible spouse can enroll in Medicare Part B only during certain times allowed by Medicare. Medicare-eligible members must contact their local Social Security office at least two months prior to retiring to enroll in Part A and Part B so that the Medicare Part A and Part B coverage is effective no later than the date of retirement of the policyholder.

The Social Security Administration handles Medicare enrollments. Therefore, if you have questions about when to enroll in Medicare Part B, you should contact the Social Security Administration at 800.772.1213. A Medicare-eligible retiree and/or spouse must have both Medicare Part A and Part B to have adequate coverage with PEEHIP. If you do not have Part B, PEEHIP will only pay 20% of the Medicare allowable fee (subject to a $30 copay on office visits, emergency room visits and outpatient consultations) as if you had Part B.

If I work after age 65 or become eligible for Medicare, am I still covered?

If you continue to be actively employed when you are age 65 or older and are insured on a PEEHIP active contract, you and your spouse will continue to be covered for the same benefits available to employees under age 65. In this case, your PEEHIP plan will pay all eligible expenses first. If you are enrolled in Medicare, Medicare will pay for Medicare-eligible expenses, if any, not paid by the group benefits plan.

If both you and your spouse are over age 65, you may elect to withdraw completely from the PEEHIP plan and purchase a Medicare Supplement contract. This means that you will have no benefits under the PEEHIP plan. In addition, the employer is prohibited by law from purchasing your Medicare Supplement contract for you or reimbursing you for any portion of the cost of the contract.

Other Medicare Rules

Disabled Individuals: If you or your spouse are eligible for Medicare due to disability and also
covered under the plan by virtue of your current employment status with the employer, the plan will be primary and Medicare will be secondary. However, if you are retired, Medicare is primary and PEEHIP will be secondary.

End-Stage Renal Disease: If you are eligible for Medicare as a result of End-Stage Renal Disease (permanent kidney failure), the plan will generally be primary and Medicare will be secondary for the first 30 months of your Medicare eligibility. Thereafter, Medicare will be primary and the plan will be secondary.

If you have any questions about coordination of your coverage with Medicare, please contact PEEHIP for further information. PEEHIP members who retired on disability after September 30, 2005, but are also eligible for service retirement are subject to the Sliding Scale for PEEHIP premiums.

Medicare rules require a Medicare-eligible, active PEEHIP member who is covered on their spouse’s PEEHIP retired contract to have Medicare as the primary payer on the active PEEHIP member. The active, Medicare-eligible member must have Medicare Part A and Part B coverage.

If the active member does not want Medicare as his or her primary payer and does not want to enroll in Medicare Part B until retirement, he or she will have to enroll in a PEEHIP active contract and will not be able to remain on the contract with the retired PEEHIP-eligible spouse. Most of the time, in this situation, active members must wait and enroll in their own PEEHIP medical policy during the Open Enrollment period or their spouse’s date of retirement. When the active Medicare-eligible member retires, he or she must enroll in Medicare Part B. The effective date of Medicare Part B must be the date of retirement to avoid a lapse in coverage.

Retired Employees

Retired employees are not affected by the TEFRA amendment to the Age Discrimination in Employment Act; therefore, upon retirement and Medicare eligibility the member’s coverage under PEEHIP will complement his or her Medicare coverage. Medicare will be the primary payer and PEEHIP will be the secondary payer for retirees and dependents eligible for Medicare. Medicare approved admissions will not be subject to the Preadmission Certification requirements.

PEEHIP remains primary for retirees until the retiree is Medicare-eligible. A Medicare-eligible retiree and/or Medicare-eligible spouse must have both Medicare Part A and Part B to have adequate coverage with PEEHIP. Medicare-eligible members and dependents should not enroll in a separate Medicare Part D program if they are also enrolled in the PEEHIP Medicare Plus Coverage. Beginning January 1, 2013, PEEHIP will automatically enroll all Medicare-eligible members and Medicare-eligible dependents in the Medicare GenerationRx Medicare Part D program offered by PEEHIP unless already enrolled in a separate Medicare Part D plan or they choose not to participate.

After Medicare pays 80% of the approved amount after the Part B deductible, PEEHIP will pay the remainder of the Medicare approved amount without a Major Medical deductible (subject to a $30 copay on office visits, emergency room visits and outpatient consultations) on PEEHIP approved services. In rare situations some services are covered by Medicare and are not by PEEHIP. In the rare situation that a service is not covered by Medicare but is covered by PEEHIP, PEEHIP will be primary and all PEEHIP deductible and copayment amounts will apply as well as any PEEHIP precertification requirements.

Note: If a member or dependent is under age 65 and eligible for Medicare coverage due to a disability, the PEEHIP office must receive a copy of the Medicare card before the premiums can be reduced. Refunds will not be processed for retroactive premiums. However, PEEHIP will pay secondary to Medicare once our office becomes aware of your Medicare eligibility regardless of whether our office has received your Medicare card. Medicare-eligible members and dependents must have Medicare Part A and Part B to have adequate coverage with PEEHIP.
Health Insurance Policies for Retired Members

Form 10 - Application for Retirement

In order to file for retirement benefits, a member must complete PART I, RETIREMENT APPLICATION PACKET. The law provides that an application for retirement must be filed with the Teachers’ Retirement System Board of Control no less than thirty (30) days nor more than ninety (90) days before the first of the month in which retirement is to be effective.

The member must complete the PEEHIP INSURANCE AUTHORIZATION section on the back of the FORM 10 to authorize health insurance coverage. However, this section cannot be used as a PEEHIP enrollment form.

If a member is enrolled in the PEEHIP Hospital Medical Plan and one or more Optional Plans, he or she cannot drop the Optional Plan(s) until the Open Enrollment period.

The state allocation for retired members will pay the premium for two of the Optional Plans without a payroll deduction for those retired members enrolled in only the optional coverages. The member must indicate which optional coverages he or she wants to keep on his or her date of retirement.

A Member Retiring from a Non-Participating System

A member who retires from a non-participating system is eligible to add the PEEHIP Hospital Medical Plan on the date of retirement. If the member had a Hospital Medical Plan with his or her school system immediately prior to retirement, the member can enroll in PEEHIP with no waiting periods.

If the member did not have a Hospital Medical Plan with his or her school system, the member can enroll in single PEEHIP or the PEEHIP Supplemental Plan but will be required to serve a 270-day waiting period on pre-existing conditions unless proof of previous coverage is received and approved by PEEHIP.

If the retiring member only had single coverage, he or she cannot add family coverage on the date of retirement. In this situation, the retiring member must wait until the Open Enrollment period to add family coverage.

The retiring employee can only enroll in the PEEHIP Hospital Medical Plan or PEEHIP Supplemental Plan and not the Optional Plans on his or her date of retirement if the employee retires outside of the Open Enrollment period. The employee cannot add any Optional Plans until the Open Enrollment period.

Vested Members Not Currently Enrolled

A retiring employee who has had a break in his or her employment and retires outside of the Open Enrollment period must serve a 270-day waiting period on pre-existing conditions unless proof of previous coverage is received and approved by PEEHIP.

A vested retiring employee can only enroll in the PEEHIP Hospital Medical Plan or PEEHIP Supplemental Plan and not the Optional Plans on his or her date of retirement.

A vested retiring employee can wait to enroll in the PEEHIP Hospital Medical Plan effective October 1. At this time, the vested employee will not be required to serve waiting periods and will be allowed to enroll in any of the Optional Plans.

A Member Retiring from a Participating System

If a member retires from a participating system and was enrolled in the four Optional Plans at his or her date of retirement, the member can continue coverage under all four Optional Plans or may reduce coverage to two plans on his or her date of retirement. The member cannot reduce to three Optional Plans outside of Open Enrollment.

If a member has the PEEHIP Hospital Medical Plan and one or more Optional Plans, he or she cannot drop the Optional Plan(s) until the Open Enrollment period. Also, a member cannot add any of the Optional Plans on the date of
Health Insurance Policies for Retired Members

The state allocation will cover the full cost of two Optional Plans for retirees.

A member who is retiring from a participating system and is only enrolled in the Optional Plans at the date of retirement cannot add the Hospital Medical Plan until the Open Enrollment period.

**Retiree Examples**

**Example 1:**
Mr. Smith retired from Jefferson County school system on January 1. Mr. Smith was enrolled in the four Optional Plans on his date of retirement. Mr. Smith can drop two of the Optional Plans on January 1, or Mr. Smith can retain all four Optional Plans and pay $76.00 for the Optional Plans. Mr. Smith cannot add the PEEHIP Hospital Medical Plan nor is he allowed to drop only one Optional Plan until the Open Enrollment period.

**Example 2:**
Mrs. Scott retired from the University of Alabama (a non-participating system) on January 1. Mrs. Scott was enrolled in the Blue Cross and Blue Shield Health Insurance Plan with the University of Alabama. Therefore, Mrs. Scott can enroll in the PEEHIP plan on January 1, without waiting periods. If Mrs. Scott was enrolled in the family Blue Cross and Blue Shield plan with the University of Alabama, Mrs. Scott and her dependents would not be required to serve waiting periods on pre-existing conditions. However, if Mrs. Scott only had the single Blue Cross plan, Mrs. Scott could not enroll her family in the PEEHIP plan until the Open Enrollment period.

**Example 3:**
Mr. Johnson was employed with Birmingham City and retired on March 1. Mr. Johnson was enrolled in the family Dental and family Hospital Medical Plan with Birmingham City. On his date of retirement, Mr. Johnson would be required to continue his Dental Plan until the Open Enrollment period. Mr. Johnson could drop his PEEHIP Hospital Medical Plan on his date of retirement or at any other time by notifying PEEHIP in writing and the change would be effective the first day of the month following the notification.

**Example 4:**
When Mrs. Sellers was age 55, she terminated her employment with Auburn University with 11 years of service. When she turned age 60, she began drawing a retirement check and became eligible for the PEEHIP Hospital Medical Plan. Mrs. Sellers is eligible to enroll in the PEEHIP Hospital Medical Plan or PEEHIP Supplemental Plan effective the date of her retirement or she could wait until the Open Enrollment period. She would be required to serve a 270-day waiting period on pre-existing conditions if she retired outside of the Open Enrollment period and enrolled in PEEHIP on her date of retirement unless proof of previous coverage was received and approved by PEEHIP. She could wait and enroll in PEEHIP during the Open Enrollment period and would not be required to serve the 270-day waiting period on pre-existing conditions. Mrs. Sellers must wait until the Open Enrollment period to enroll in any of the PEEHIP Optional Plans.

**A Medicare-Eligible Retiree**

If a member or dependent is Medicare-eligible due to age or disability at the time of his or her retirement, Medicare will become the primary payer and PEEHIP the secondary payer effective on the date of the member’s retirement. The PEEHIP Hospital Medical Plan will supplement the Medicare coverage.

It is extremely important for the Medicare-eligible member and/or dependent to have Medicare Part A and Part B to assure adequate coverage with PEEHIP. In addition, the member should notify Medicare of his or her retirement date and request Medicare to change their records to reflect that Medicare should be the primary payer and PEEHIP the secondary payer effective on the date of the member’s retirement. Medicare-eligible members and dependents should not enroll in a separate Medicare Part D program if they are also enrolled in the PEEHIP Medicare Plus Coverage. Beginning January 1, 2013, PEEHIP will automatically
enroll all Medicare-eligible members and Medicare-eligible dependents in the Medicare GenerationRx Medicare Part D program offered by PEHIP unless already enrolled in a separate Medicare Part D plan or they choose not to participate.

A Retired Member with a Medicare-Eligible Dependent

If the retired member is carrying family coverage and has a Medicare-eligible dependent, Medicare will become the primary payer for the dependent and PEHIP will be the secondary payer at the time of retirement. The member must notify Medicare and PEHIP. The dependent must have Medicare Part A and Part B effective on the date of the member’s retirement. Medicare-eligible members and dependents should not enroll in a separate Medicare Part D program if they are also enrolled in the PEHIP Medicare Plus Coverage. Beginning January 1, 2013, PEHIP will automatically enroll all Medicare-eligible members and dependents in the PEHIP Medicare GenerationRx Medicare Part D program unless already enrolled in a Medicare Part D plan.

Important Notice About Your Prescription Drug Coverage and Medicare

PEEHIP elected to continue providing prescription drug benefits to Medicare-eligible retirees and Medicare-eligible covered dependents even when these members are eligible for a separate Medicare Part D program. However, if a Medicare-eligible member or Medicare-eligible dependent chooses to enroll in a different Medicare Part D program, he or she will lose the PEEHIP prescription drug coverage.

Medicare-eligible members and Medicare-eligible dependents enrolled in PEEHIP still need Medicare Part A and Part B but not a separate Part D prescription drug plan. Medicare-eligible members and dependents should not enroll in a separate Medicare Part D program if they are also enrolled in the PEEHIP Medicare Plus Coverage. Beginning January 1, 2013, PEEHIP began offering a group Medicare Part D plan called Medicare GenerationRx and automatically enrolled all Medicare-eligible members and Medicare-eligible dependents in the Medicare GenerationRx Part D program offered by PEEHIP unless they were already enrolled in a separate Medicare Part D plan or they chose not to participate.

Creditable Coverage Notice About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with PEEHIP and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a standard Medicare drug plan or keep your PEEHIP drug coverage.

If you are considering joining a standard Medicare drug plan, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a standard Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.

2. PEEHIP has determined that the prescription drug coverage offered by the PEEHIP is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing PEEHIP coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a standard Medicare drug plan.

When Can You Join A Medicare Drug Plan?
You can join a standard Medicare drug plan when you first become eligible for Medicare and each year from October 15 through December 7. However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a standard Medicare drug plan.

What Happens To Your Current PEEHIP Coverage If You Decide to Join A Medicare Drug Plan?
If you do decide to join a standard Part D Medicare drug plan and drop your PEEHIP drug plan, your current PEEHIP drug coverage will terminate on the date that you enroll in a standard Medicare drug plan. Please be aware that you and your Medicare-eligible covered dependents will lose the PEEHIP drug coverage, and will not be able to get this coverage back until you drop the other
Important Notice About Your Prescription Drug Coverage and Medicare

standard Medicare Part D coverage. You cannot have PEEHIP prescription drug coverage and a standard Part D coverage at the same time. If you enroll in a standard Medicare Part D drug plan, you and your dependents will still be eligible for your current PEEHIP health benefits but will have no prescription drug coverage under PEEHIP.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?
If you do decide to join a standard Part D Medicare drug plan and drop your PEEHIP drug plan, your current PEEHIP drug coverage will terminate on the date that you enroll in a standard Medicare drug plan. Please be aware that you and your Medicare-eligible covered dependents will lose the PEEHIP drug coverage, and will not be able to get this coverage back until you drop the other standard Medicare Part D coverage. You cannot have PEEHIP prescription drug coverage and a standard Part D coverage at the same time. If you enroll in a standard Medicare Part D drug plan, you and your dependents will still be eligible for your current PEEHIP health benefits but will have no prescription drug coverage under PEEHIP.

Medicare Part D Prescription Drug Coverage
Effective January 1, 2013, all Medicare-eligible retirees and Medicare-eligible dependents covered under the Public Education Employees’ Health Insurance Plan (PEEHIP) were automatically enrolled into the Medicare GenerationRx Part D Prescription Drug Program offered by PEEHIP. This change did not affect PEEHIP active members, non-Medicare eligible members, or members already enrolled in another Medicare Part D plan. Medicare GenerationRx (Employer PDP) is a Medicare approved Part D sponsor and is sponsored by Stonebridge Life Insurance Company. Participation in this Employee Group Waiver Plan (EGWP) is a win-win for Medicare-eligible retirees, covered Medicare-eligible dependents, and PEEHIP.

Effective January 1, 2013, Medicare-eligible retirees and Medicare-eligible dependents will use their new Medicare GenerationRx ID card for prescription claims if they are enrolled in the PEEHIP Medicare GenerationRx Part D Prescription Drug Program and use their current PEEHIP ID card and Medicare Part A and B card for hospital medical coverage.
Dependents Who Are Not Yet Medicare-eligible
The Medicare-eligible retiree's spouse or other covered dependents who are not Medicare eligible will remain in the PEEHIP (non-Medicare) prescription drug plan. For more detailed information about the EGWP program, refer to the RETIREES WITH MEDICARE handbook.
COBRA

The Consolidated Omnibus Budget Reconciliation Act of 1986 (COBRA) requires PEEHIP and most other group health plans to offer employees and their families the opportunity for a temporary extension of health coverage. The continuation of coverage is offered at group rates in certain instances where coverage under PEEHIP would otherwise end.

All public education employees of the state of Alabama who are covered under the PEEHIP group health insurance have the right to choose continuation of coverage if the employee loses group health coverage due to a reduction in hours of employment or because of a resignation or termination of employment (for reasons other than gross misconduct on the part of the employee).

Each public education institution has the responsibility by law to notify the PEEHIP office immediately when an employee loses group health coverage due to the employee’s:
- Death,
- Termination of employment, or
- Reduction in hours.

COBRA also provides that you may have other health coverage alternatives for you and your family that may be available to you through the Health Insurance Marketplace. When key parts of the federal health care reform law take effect, you will be able to buy coverage through the Health Insurance Marketplace and could be eligible for a new kind of tax credit that lowers your monthly premiums right away. You can see what your premiums, deductibles, and out-of-pocket costs will be before you make a decision to enroll.

Being eligible for COBRA does not limit your eligibility for coverage for a tax credit through the Marketplace. Additionally, you may qualify for a special enrollment opportunity for another group health plan for which you are eligible (such as a spouse’s plan), even if the plan generally does not accept late enrollees, if you request enrollment within 30 days.

COBRA Compliance and PEEHIP Notification

The sanctions imposed under the auspices of COBRA can be quite severe, making a determination of compliance greatly important. It is the employer’s responsibility to notify PEEHIP within a maximum of 30 days of an employee’s termination, death or reduction in hours. The employer must notify the PEEHIP office by entering a termination date in the employer portal before the next payroll cycle. Employers must key the termination date in the employer portal for each employee who loses insurance coverage due to termination or resignation of employment or reduction in hours or for an employee who does not earn the state allocation, even if the employee does not want to continue the coverage or is transferring allocation to a spouse.

Employers are subject to a penalty of $100 per day for every day that they are past the 30 day notification deadline. It is the employee’s or dependent’s responsibility to notify PEEHIP within a maximum of 60 days when the dependent needs continuation coverage under COBRA.

Termination for Gross Misconduct

If an employer terminates an employee for gross misconduct, PEEHIP is not required to provide continuation of coverage under the provisions of COBRA. However, the employer must still notify the PEEHIP office of the termination by entering the termination information via the employer portal.

Eligibility

Under COBRA, the employee, ex-spouse or dependent family member has the responsibility to inform PEEHIP within 60 days of a divorce, legal separation, or a child losing dependent status under the Plan and must obtain a Continuation of Coverage Application form. PEEHIP may be notified by phone or in writing.
A dependent's coverage ends on the last day of the month in which the dependent becomes ineligible by turning age 26 or by divorce, or legal separation.

When PEEHIP is notified of a qualifying event, PEEHIP will in turn notify the eligible member that he or she has the right to choose continuation of coverage. It is important to note that the eligible member has 60 days from the date he or she would lose coverage because of one of the qualifying events to inform PEEHIP that he or she wants continuation of coverage.

If the eligible member does not choose continuation of coverage, his or her PEEHIP group health insurance coverage will end the last day of the month in which the member becomes ineligible.

If a member and/or dependent become entitled to Medicare after electing COBRA coverage, he or she is no longer eligible to continue the COBRA coverage. However, dependents on the contract will be allowed to continue COBRA coverage up to a total of 36 months from the date of the original qualifying event.

**Continuation of Coverage**

If the eligible member chooses continuation of coverage, PEEHIP is required to give the member coverage which, as of the time coverage is being provided, is identical to the coverage provided under the Plan to similarly situated employees or family members and is the same coverage he or she had prior to the qualifying event.

COBRA requires that the eligible member be afforded the opportunity to maintain continuation of coverage for 18 months due to a termination of employment or reduction in hours. COBRA requires that eligible dependents who become eligible for COBRA for reasons such as aging out or divorce be afforded an opportunity to maintain coverage for 36 months.

COBRA members have the same rights such as adding a newborn child or a new spouse within 45 days of the date of birth or marriage as other employed or retired members.

COBRA also provides that a member's continuation of coverage may be cut short for any of the following five reasons:

- PEEHIP no longer provides group health coverage to any of its employees.
- The premium for continuation of coverage is not paid by the member when payment is due, or the premium payment is insufficient.
- The member becomes covered under another group health plan which does not contain any exclusions or limitations with respect to any pre-existing condition.
- The member or dependent becomes entitled to Medicare after COBRA benefits begin.
- The member becomes divorced from a covered employee and subsequently remarries and is covered under the new spouse's group health plan, which does not contain any exclusions or limitations with respect to pre-existing conditions.

An eligible member does not have to show that he or she is insurable to choose continuation of coverage. However, under COBRA, he or she is required to pay the full COBRA monthly premium for continuation of coverage.

If a member who is on COBRA dies before the 18 months have lapsed and the member's family is covered under COBRA, the eligible covered family members can continue the COBRA coverage up to a total of 36 months from the date of the original qualifying event.

**Dependent Coverage**

A spouse of an employee covered by PEEHIP has the right to choose continuation of coverage if the spouse loses group health coverage under the Plan for any of the following reasons:

- Death of the employee
- Termination of the employee's employment (for reasons other than gross misconduct) or reduction in the employee's hours of employment
- Divorce or legal separation
- Employee's eligibility for Medicare
In the case of a dependent child of an employee covered by PEEHIP, he or she has the right to continuation of coverage if group health coverage under the Plan is lost for any of the following reasons:

- Death of a parent
- Termination of a parent’s employment (for reasons other than gross misconduct) or reduction in a parent’s hours of employment with the employer
- Parents’ divorce or legal separation
- Parent becomes eligible for Medicare
- Dependent ceases to be an eligible child under the Plan

**Members on COBRA Who Return to Work**

When a member who is enrolled in PEEHIP under COBRA returns to work and does not have a break in coverage, the member is not allowed to change coverage until the Open Enrollment period.

If a member chooses not to continue their insurance coverage under COBRA and has a break in coverage, the member must complete a new enrollment application when he or she is re-employed in public education.

**Exception:** Employees enrolled in one or more Optional Plans while on COBRA can add the remaining Optional Plans when he or she becomes eligible for a full allocation. However, employees enrolled in one or more Optional Plans while on COBRA cannot enroll in a Hospital Medical Plan until Open Enrollment.

**Can COBRA Coverage be Extended for Covered Members who Become Disabled?**

Yes. In certain circumstances, COBRA can be extended for covered members who become disabled. If a covered member becomes disabled under Title 11 (OASDI) or Title XVI (SSI) of the Social Security Act during the first 60 days after the employee’s termination of employment or reduction in hours, the 18-month period may be extended to 29 months on the date the disabled individual becomes covered by Medicare, whichever occurs sooner. This 29-month period also applies to any non-disabled family members who are receiving COBRA coverages, regardless of whether the disabled individual elects the 29-month period for him or herself.

In order for this disability extension to apply, you must notify the PEEHIP office of Social Security’s determination within 60 days after the date of the determination and before the expiration of the 18-month period. You must also notify PEEHIP within 30 days of any revocation of Social Security disability benefits.

The cost for COBRA coverage after the 18th month will be 150% of the full COBRA cost of coverage under the plan, assuming that the disabled individual elects to be covered under the disability extension. If the only persons who elect the disability extension are non-disabled family members, the cost of coverage will remain at 102% of the full cost of coverage.

For spouses and children, the disability extension may be further extended to 36 months if another qualifying event (death, divorce, enrollment in Medicare, or loss of dependent status) occurs during the 29-month period. The 36-month period will run from the original date of the termination of employment or reduction in hours.

**Leave of Absence**

A member who goes on an authorized leave of absence without pay can continue group health coverage for up to two years of authorized leave before he or she would be required to enroll in continuation of coverage under the COBRA provisions. A member on an approved leave of absence can continue the health insurance coverage for two years and then can continue the health insurance coverage for an additional 18 months under the COBRA provisions.
Leave of Absence & Family and Medical Leave Act

Leave of Absence

The beginning date of the leave of absence should be the date any accrued leave is exhausted (sick leave, donated leave, annual leave or personal days).

The employer must enter the leave of absence status and beginning date in the Employer Portal when an employee is granted an official leave of absence. Upon return to work, employees who paid for their insurance while on an authorized leave of absence cannot pick up new insurance coverage that they did not have while on leave. (See Exception)

Employees who do not pay for their insurance while on an official leave of absence or have a break in coverage can enroll as new employees the day they return to work, the first day of the month after they return to work, or October 1. PEEHIP must receive a new Health Insurance and Optional Enrollment Application before the member can be enrolled. The employee and his eligible dependents will be required to serve a 270-day waiting period on all pre-existing conditions with the Hospital Medical coverage if proof of previous coverage is not received and approved by PEEHIP.

Employees who continue insurance coverage while on leave must wait until the Open Enrollment period to make insurance changes for an October 1 effective date.

Exception: Employees enrolled in one or more Optional Plans while on leave of absence can add the remaining Optional Plans when he or she becomes eligible for a full allocation. However, employees enrolled in one or more Optional Plans while on leave cannot enroll in a Hospital Medical Plan until Open Enrollment.

When the employee returns to work, the employer must update the Employer Portal and enter the hire status as the date the leave of absence terminated.

Family and Medical Leave Act (FMLA)

The Family and Medical Leave Act of 1993 requires employers to continue health benefits to employees taking FMLA Leave.

Eligibility

Employees are eligible for leave under FMLA if they have worked 1,250 hours over the prior 12 months and if they have worked for a covered employer for at least one year. (Although bus drivers are classified as full-time, normally they do not work 1,250 hours.)

Conditions

♦ Leave earned under FMLA is for a maximum of 12 weeks not 3 months.
♦ Employees must provide a 30-day notice for foreseeable leave. Leave under FMLA cannot be granted retroactively.
♦ Leave granted under FMLA cannot and should not be applied to the summer months for 9-month employees or during any time that the employee is not required to be at work. FMLA should begin when member is required to be at work.
♦ If an employee earns an extra summer allocation under the 3-1 Rule, that month should be applied to the end of the 12 weeks that were granted under FMLA.
♦ An employee cannot earn the insurance allocation under FMLA if he or she is retiring or not returning to work unless the reason for not returning to work is a serious health condition or circumstance beyond the control of the employee.
♦ The school system will collect premiums while the employee is on leave under FMLA and should collect premiums for any extra months earned under the 3-1 Rule.
♦ Employers must enter the FMLA status and beginning date in the Employer Portal when an employee is granted FMLA.
♦ Employees on FMLA do accrue extra insurance allocation while on leave under FMLA. Therefore, the 3-1 Rule does apply while an employee is on FMLA.
♦ Employees must enter the new status and ending date in the Employer Portal when the FMLA benefit ends.
The Health Insurance Portability and Accountability Act of 1996 (HIPAA) protects Americans who move from one job to another, who are self-employed, or who have pre-existing medical conditions. HIPAA applies to the PEEHIP Hospital Medical Plan and the HMO plan. HIPAA does not apply to the four Optional Plans administered by Southland Benefit Solutions Insurance Corporation.

HIPAA provides for increased health coverage portability for our members with fewer restrictions on pre-existing conditions, certification requirements for prior health coverage, and special enrollment periods. HIPAA provides for other benefits such as guaranteed availability and renewability of health insurance coverage.

HIPAA:
♦ Requires plans to give credit toward a member's or dependent's pre-existing condition limitations period for prior creditable coverage.
♦ Defines what can be a pre-existing condition.
♦ Requires plans, on an individual's request, to certify the period of previous insurance coverage.
♦ Limits the period during which pre-existing condition limitations can be imposed.
♦ Prohibits the use of pre-existing condition limitations for pregnancies, adopted children and newborns.

Credit Must Be Given for Creditable Coverage

When medical coverage is cancelled on a PEEHIP member or dependent, Blue Cross and Blue Shield of Alabama or VIVA Health Plan HMO will mail the Certificate of Creditable Coverage to the member's address on file. This certificate provides evidence of prior health coverage and can be used to demonstrate creditable coverage to the member's new plan or issuer. The certificate can be furnished automatically to members and upon request by an individual within 24 months after coverage ends.

PEEHIP and the HMO plan will accept the Certificates of Creditable Coverage from other plans for members enrolling in PEEHIP outside of the Open Enrollment period and will reduce their pre-existing condition exclusion period by the length of the total period of prior creditable coverage. If there is a break in coverage longer than 63 days, PEEHIP and the HMO Plan are not required to accept the Certificate of Creditable Coverage. Members must send the certificate to PEEHIP to receive credit for previous coverage.

Special Enrollment Periods

HIPAA requires group health plans to provide special enrollment periods during which certain individuals who previously declined health coverage are allowed to enroll. A special enrollee is not treated as a late enrollee. The 9-month, pre-existing condition waiting period may be applied to a special enrollee but must be reduced by the special enrollee's creditable coverage. Special enrollment occurs when:
♦ An individual with other insurance coverage loses that coverage.
♦ A person becomes a dependent through marriage.
♦ A birth of a dependent child.
♦ An adoption or placement of adoption of a child under the age of 18.

These individuals are not required to wait until the Open Enrollment period to enroll in the Hospital Medical Plan. This special enrollment period is available to employees and their dependents who meet certain requirements:
♦ The employee or dependent must otherwise be eligible for coverage under the terms of their plan.
♦ When the PEEHIP coverage was previously declined, the employee or dependent must have been covered under another group health plan or must have had other health insurance coverage.
♦ If the other coverage is COBRA continuation of coverage, the special enrollment can only be requested after exhausting COBRA continuation of coverage.
If the other coverage is not COBRA continuation of coverage, special enrollment can only be requested after losing eligibility for the other coverage or after cessation of employer contributions for the other coverage. In each case, the employee has 45 days to request special enrollment.

An individual does not have a special enrollment right if the individual loses the other coverage for the following reasons:
♦ As a result of the individual's failure to pay premiums.
♦ For cause (such as making a fraudulent claim).
♦ If other coverage has an increase in premiums or a change in benefits.

These examples do not qualify as a loss of coverage under the HIPAA Federal guidelines.

The special enrollment for new dependents can occur if a person has a new dependent by birth, marriage, adoption, or placement for adoption. The election to enroll must be made within 45 days following the birth, marriage, adoption, or placement for adoption.

The Plan is required by law to take reasonable steps to ensure the privacy of your health information and to inform you about:

♦ A breach of your PHI.
♦ Your right to file a complaint with the Plan and to the Secretary of the U.S. Department of Health and Human Services.
♦ The person or office to contact for further information about the Plan's privacy practices.

Effective Date of Notice: This notice was effective as of September 23, 2013.

How the Plan Uses and Discloses Health Information
This section of the notice describes uses and disclosures that the Plan may make of your health information for certain purposes without first obtaining your permission as well as instances in which we may request your written permission to use or disclose your health information. The Plan also requires their business associates to protect the privacy of your health information through written agreements.

Uses and disclosures related to payment, health care operations and treatment
The Plan and its business associates may use your health information without your permission to carry out payment or health care operations. The Plan may also disclose health information to the Plan Sponsor, PEEHIP, for purposes related to payment or health care operations.

Payment includes but is not limited to actions to make coverage determinations and payment (including billing, claims management, subrogation, plan reimbursement, review for medical necessity and appropriateness of care and utilization review and preauthorizations). For example, the Plan may tell an insurer what percentage of a bill will be paid by the Plan.
**Health care operations** include but are not limited to underwriting, premium rating and other insurance activities relating to creating or renewing insurance contracts, disease management, case management, conducting or arrangement for medical review, legal services and auditing functions, including fraud and abuse programs, business planning and development, business management and general administrative activities. It also includes quality assessment and improvement and reviewing competence or qualifications of health care professionals. For example, the Plan may use medical benefit claims information to conduct a review of the accuracy of how benefit claims are being paid. However, in no event will Benefit Staff use PHI that is genetic information for underwriting purposes.

The Plan will only disclose the minimum information necessary with respect to the amount of health information used or disclosed for these purposes. In other words, only information relating to the task being performed will be used or disclosed. Information not required for the task will not be used or disclosed.

The Plan may also contact you to provide information about treatment alternatives or other health-related benefits and services that may be of interest to you.

**Other uses and disclosures that do not require your written authorization**

The Plan may disclose your health information to persons and entities that provide services to the Plan and assure the Plan they will protect the information or if it:

- Is for public health activities.
- Is for health oversight activities.
- Is about victims of abuse, neglect or domestic violence.
- Is for cadaveric organ, eye or tissue donation purposes.
- Is for certain limited research purposes.
- Is to avert a serious threat to health or safety.
- Is for specialized government functions.
- Is for limited marketing activities.

**Additional disclosures to others without your written authorization**

The Plan may disclose your health information to a relative, a friend or any other person you identify, provided the information is directly relevant to that person’s involvement with your health care or payment for that care. For example, the Plan may confirm whether or not a claim has been received and paid. You have the right to request that this kind of disclosure be limited or stopped by contacting the Plan’s Privacy Official.

**Uses and Disclosures Requiring Your Written Authorization**

In all situations other than those described above, the Plan will ask for your written authorization before using or disclosing your health information. If you have given the Plan an authorization, you may revoke it at any time, if the Plan has not already acted on it. If you have questions regarding authorizations, contact the Plan’s Privacy Official.

**Your Privacy Rights**

This section of the notice describes your rights with respect to your health information and a brief description of how you may exercise these rights. To exercise your rights, you must contact the Plan’s Privacy Officer at 877.517.0020.

**Restrict Uses and Disclosures**

You have the right to request that the Plan restricts uses and disclosure of your health information for activities related to payment, health care operations and treatment. The Plan will consider, but may not agree to, such requests.
Alternative Communication
The Plan will accommodate reasonable requests to communicate with you at a certain location or in a certain way. For example, if you are covered as an adult dependent, you may want the Plan to send health information to a different address than that of the Employee. The Plan must accommodate your reasonable request to receive communication of PHI by alternative means or at alternative locations, if you clearly state that the disclosure of all or part of the information through normal processes could endanger you in some way.

Copy of Health Information
You have a right to obtain a copy of health information that is contained in a “designated record set” – records used in making enrollment, payment, claims adjudication, and other decisions. The Plan may provide you with a summary of the health information if you agree in advance to the summary. You may also be asked to pay a fee of $1.00 per page based on the Plan’s copying, mailing, and other preparation costs.

Amend Health Information
You have the right to request an amendment to health information that is in a “designated record set.” The Plan may deny your request to amend your health information if the Plan did not create the health information, if the information is not part of the Plan’s records, if the information was not available for inspection, or the information is not accurate and complete.

Right to Access Electronic Records
You may request access to electronic copies of your PHI, or you may request in writing or electronically that another person receive an electronic copy of the records. The electronic PHI will be provided in a mutually agreed-upon format, and you may be charged for the cost of any electronic media (such as a USB flash drive) used to provide a copy of the electronic PHI.

List of Certain Disclosures
You have the right to receive a list of certain disclosures of your health information. The Plan or its business associates will provide you with one free accounting each year. For subsequent requests, you may be charged a reasonable fee.

Right to A Copy of Privacy Notice
You have the right to receive a paper copy of this notice upon request, even if you agreed to receive the notice electronically.

Complaints
You may complain to the Plan or the Secretary of HHS if you believe your privacy rights have been violated. You will not be penalized for filing a complaint.

The Plan’s Responsibilities
The Plan is required by a federal law to keep your health information private, to give you notice of the Plan’s legal duties and privacy practices, and to follow the terms of the notice currently in effect.

This Notice is Subject to Change
The terms of this notice and the Plan’s privacy policies may be changed at any time. If changes are made, the new terms and policies will then apply to all health information maintained by the Plan. If any material changes are made, the Plan will distribute a new notice to participants and beneficiaries.

Your Questions and Comments
If you have questions regarding this notice, please contact PEEHIP’s Privacy Official at 877.517.0020.
Notice to Enrollees in a Self-Funded Non-Federal Governmental Group Health Plan

Under a Federal law known as the Health Insurance Portability and Accountability Act of 1996 (HIPAA), Public Law 104-191, as amended, group health plans must generally comply with the requirements listed below. However, the law also permits State and local governmental employers that sponsor health plans to elect to exempt a plan from these requirements for any part of the plan that is “self-funded” by the employer, rather than provided through a health insurance policy. The Public Education Employees’ Health Insurance Board has elected to exempt the Public Education Employees’ Health Insurance Program from the following requirements:

♦ Protections against having benefits for mental health and substance use disorders be subject to more restrictions than apply to medical and surgical benefits covered by the plan.

The exemption from these federal requirements will be in effect for the plan year beginning October 1, 2013. The election will be for every subsequent plan year.

HIPAA also requires the Plan to provide covered employees and dependents with a “certificate of creditable coverage” when they cease to be covered under the Plan. There is no exemption from this requirement. The certificate provides evidence that you were covered under this Plan, because if you can establish your prior coverage, you may be entitled to certain rights to reduce or eliminate a preexisting condition exclusion if you join another employer’s health plan, or if you wish to purchase an individual health insurance policy.

For more information regarding this notice, please contact PEEHIP.
Medicaid and the Children’s Health Insurance Program (CHIP) Offer Free or Low-Cost Health Coverage to Children and Families

If you are eligible for health coverage from your employer, but are unable to afford the premiums, some states have premium assistance programs that can help pay for coverage. These states use funds from their Medicaid or CHIP programs to help people who are eligible for employer-sponsored health coverage, but need assistance in paying their health premiums.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a state listed below, you can contact your state Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, you can contact your state Medicaid or CHIP office or dial 877.KIDS.NOW or www.insurekidsnow.gov to find out how to apply. If you qualify, you can ask the state if it has a program that might help you pay the premiums for an employer-sponsored plan.

Once it is determined that you or your dependents are eligible for premium assistance under Medicaid or CHIP, your employer's health plan is required to permit you and your dependents to enroll in the plan – as long as you and your dependents are eligible, but not already enrolled in the employer's plan. This is called a “special enrollment” opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of April 16, 2010. You should contact your state for further information on eligibility.

**HELPING YOU UNDERSTAND WHY THE INFORMATION IS NEEDED**

**COORDINATION OF BENEFITS. WHAT IS IT?** Coordination of Benefits is designed to keep your rates as low as possible by eliminating excess payments. It keeps the cost of your medical care down without affecting the way you receive care. Oftentimes, members and their dependents are covered by two insurance plans. Working spouses cover each other and children are often covered on both parents’ plan. When a PEEHIP subscriber is covered by more than one health plan, the payment of his/her benefits is coordinated between the two plans.

**HOW COORDINATION WORKS.** If you have more than one plan and you receive services or supplies that are covered under both plans, this is how your benefits are coordinated:

1. The benefits of the plan that covers you as an employee will be paid before the plan that covers you as a dependent. However, if you are eligible for Medicare coverage and Medicare is primary to your plan and your spouse has active coverage through an employer, then your plan pays third
2. For claims on dependent children, the benefits of the parent’s plan whose birthday falls earlier in the calendar year will be primary (this is known as the birthday rule) unless the parents are separated or divorced, in which case:
   a. If a court decree specifies one parent cover the child’s medical care, that parent’s plan is primary
   b. If there is no court decree specifying coverage, the plan covering the parent with custody will be primary
   c. However, if the parent with custody remarries, the plan covering that parent will be primary; the plan covering the step-parent will be secondary, and the plan covering the parent without custody will be third.
   d. If a court decree specifies joint custody but does not say which parent covers the child’s medical care, then the birthday rule is used.
3. The benefits of a plan covering you as an active employee are primary over the benefits of a plan covering you as a retired employee.
4. If you are the policy holder on two contracts, the plan that has covered you longer is primary.

EMPLOYER: Please return this Employment Verification Form to your Employee. The Employee must submit this form to PEEHIP. Thank you for your cooperation.

SEE REVERSE SIDE FOR INSTRUCTIONS
Under Alabama law, Code of Alabama 1975, Section 16-25A-5.2(1), employees who retire after September 30, 2005, and who become employed by an employer that provides employees at least 50 percent of the cost of single health insurance coverage and that qualify to receive other employer group health insurance coverage through that employer shall be required to use the employer's health benefit plan for primary coverage and the Public Education Employees' Health Insurance Plan may provide supplemental secondary coverage. If you are required to take your new employer's health insurance, the Public Education Employees' Health Insurance Plan (PEEHIP) offers supplemental and optional coverages at little to no cost. Please visit the PEEHIP website, www.rsa-al.gov, or contact PEEHIP for more information on the supplemental and optional coverages.

You can re-enroll in PEEHIP without a break in coverage if your new employer stops paying at least 50% of the cost of single coverage or if you should lose your other employer's health insurance coverage due to termination or ineligibility.

All employees who retired after September 30, 2005, are required to complete the form on the reverse side of this letter and return it to PEEHIP (forms should be faxed to 1-877-517-0021 or mailed to PEEHIP, P O BOX 302150, Montgomery, AL 36130). Your employer must also complete the Employer Information Sections C and D of the Retiree Employment Verification form (on back) if applicable. You must also contact PEEHIP about subsequent employment changes if other group health insurance coverage is made available to you.

Any employee or retiree who knowingly and willfully submits materially false information to PEEHIP shall repay all claims and other expenses incurred by the plan related to false or misleading information submitted by the employee or retiree, in addition to a charge based on the applicable interest rate (Code of Alabama 1975, Section 16-25A-20).

If you or your covered dependents are under age 65 and Medicare eligible, it is imperative that you notify the PEEHIP office and provide a copy of your or your dependent's Medicare card to ensure that medical and prescription drug claims are being processed correctly and you are paying the lower PEEHIP premium.

Thank you for your cooperation.
