Business and Information Technologies**

Assisting students in gaining relevant work experience is a vital component of our Business programs. The following chart displays the percentage of placements achieved by academic year. One hundred percent of students are placed in internships.

Academic Year	% of Business Division Students Placed in Internships (Off Campus)	% of Business Division Students Placed in Internships (On Campus)
2017-2018	73%	27%
2018-2019	78%	22%
2019-2020	77%	23%
