DEPARTMENT OF HEALTH PROFESSIONS
MEDICAL RADIOLOGIC TECHNOLOGY PROGRAM (MRT LIMITED SCOPE CERTIFICATE)
ADVISING SHEET

The Medical Radiologic Technology Program is a selective admissions program that requires a special application and has specific application requirements. The application to the MRT program is competitive and meeting application requirements does not guarantee admissions to the program. The 'pre-professional courses' listed below must be completed before applying to the MRT program.

Being a competitive application process, higher grades can enhance an application.

See reverse side for more details regarding application requirements.
